Chapter 1- "Augustus Gloop"

Inside the Factory (Edible room)

Eggman- In this room you can eat everything in here, the grass blades, the mushrooms, even me but that would be called cannibalism (1 person eating another).

everyone scatters and starts eating around the room while Knuckles is heading closer to the chocolate river

Cream- What are those things *points to a Chao*

Eggman- Oh thats one of my workers, they help me around the factory

Amy- Sounds kinda cool

Cream- Knuckles, what are you doing

Knuckles- *dips hand in chocolate river and drinks it*

Eggman- I wouldn't do that if I were you!

Knuckles- Whoa *falls in, splashing around in the chocolate*

Eggman- *sigh* oh well here comes a chocolate collector

a disc like thing flies over where Knuckles is and starts to suck in chocolate along with Knuckles

Tails- Where does that take him?

Eggman- Its going to the Fudge room where it makes my delicious

Amy- Would you really do that?

Eggman- You wanna try Echidna-coated fudge?

Sonic, Tails, Cream, and Amy- No!

Eggman- Didn't think so, but don't worry he won't become fudge *calls for a chao*

Chao- *Flies over in front of Eggman*

Eggman- Can you go to the Fudge room and get Knuckles out of the fudge line before he becomes fudge?

Chao- *responded by nodding head up and down*

Eggman- Ok

Chao- *Flies off in the same direction as the chocolate collector*

Sonic- He'll be alright, won't he?

Eggman- Of course, lets continue with the tour *looks in the direction of the boat*

A boat comes out near the waterfall and stops in front of everyone and they climb into the boat and ride the boat down the chocolate river

Chapter 2- "Violet Beauregard"

The boat stops in front of the door to the Inventing Room

Eggman: Come on, we must hurry inside to keep up with the schedule.

Everyone except for the Chaos exits the boat and walks into the Inventing Room

Sonic, Tails, Amy, and Cream: Whoa

Eggman: This is my Invention Room, where I make new candy and see how they work, go ahead and look at anything you want.

Sonic, Tails, Amy, and Cream runs around the room looking at things

Amy: What is that Chaos doing? *points to a machine with a Chao swimming around in it, picking up jawbreakers*

Eggman: Oh *walks to the machine* This is one of my inventions, the Ever-Lasting Jawbreaker.

Chao: *Swims up and hands Eggman one of the jawbreakers*

Eggman: *Grabs the jawbreaker* Thank you.

Chao: *Dives under collecting more jawbreakers*

Cream: So you can chew on it.

Eggman: Oh if you chew on this, you'll break every single tooth in your little head

Cream: *Looks kinda scared*

Eggman: Come over here, I wanna show you something *walks to another machine*

Everyone else follows Eggman to the machine

Eggman: *Walks to a button near the machine* Wanna see it work?

Everyone nodded yes

Eggman: Ok *pushes button and watches the machine make a piece of gum*

Everyone watches the machine and sees the machine ejecting something

Tails: That's it?

Eggman: That's it.

Amy: *picks up gum* Its just gum

Eggman: Thats no ordinary gum, its my 3-Course Meal Gum

Sonic, Tails, Amy, and Cream: *Looks at Eggman like he's crazy*

Eggman: *Searches for cards and pulls them out and reads them* This piece of gum is the end of all you need in a day, it does Lunch, Dinner, and Dessert.

Sonic: It sounds great

Cream: It sounds weird

Amy: Sounds like my kind of gum *pulls gum out of her mouth, sticks it behind her ear and puts the 3-course gum into mouth*

Eggman: I wouldn't do that if I were you

Tails: How is it?

Amy: Its amazing, Tomatoe Soup and its running down my throat.

Eggman: Yeah, spit it out now

Sonic: You better do what he says

Amy: Its changing, Roast Beef and Baked Potatoe, crispy skinned too

Tails: What's wrong with it anyway?

Eggman: I'm a little concerned about the-

Amy: Blueberry Pie and Ice Cream!

Eggman: That part

Cream: Whats happening to her nose

Everyone looks at Amy's face

Sonic: Its turning blue

Tails: Her whole nose is purple

Amy: What are you guys talking about *rubs nose* whats going on?!

Eggman: Well there's a problem with the gum when it gets to the Dessert, its the pie that does it I'm terribly sorry

Amy: *Notices that she's turning blue* Whats happening to me?!

Amy's clothes turn to a shade of blue and she starts to swell up around the belly

Tails: She's swelling up!

Sonic: Like a blueberry

Amy starts to get bigger and rounder by the second and then stops when shes a giant blue ball

Amy: *whimpers for a little bit*

Eggman: I tried that on 20 Chaos and everyone of them ended up as a blueberry, its just weird

Chao: *about 15 flew behind Amy and started pushing her toward a door*

Cream: What are they doing now?

Eggman: They're taking her to the Juicing Room before she explodes with all of that juice

Everyone watches Amy slowly going through the door with the Chaos behind her

Eggman: Come on, we need to hurry
