Today was alright. I called up Thomas to see if he was alright... turns out he got sick. VV; He's talking to me again! yay!! \*dances like a loon\* he and I agreed to be just friends. That's okay. My friends are actually also talking to me again. WOOT. I'm not so much emo anymore. I've been actually happy. =) lol if that's possible. I'm still gothic tho! A hyper one at times too that needs to calm down. >
