## Atomic Destruction

### ***BOOM***

Less than a second  
It's all gone  
I see nothing &  
I hear screaming & crying  
I wasn't there on that day  
But my mind & my imagination  
Explores a world long yonder  
The pictures, the stories  
Sends chills down my body  
I can feel the heat on my face  
I can smell the blood  
From the wounded  
I hear the piercing screams  
Of children severely burned,  
Or just lost their mother.  
The destruction is overwhelming  
My heart begins to ache  
Watching the cloud rise  
I sit in my desk  
And put myself there  
That country will never be the same  
I hope that weapon  
Will never be used again &
