Was rather sad when i wrote this...it's crap, oh well, it's what's on my mind, I'm writing it down, no editing, no proofing, just what's on my mind.

0 - Once Upon a time

Once upon a time
I died
No longer feeling the anger
Nor the pain
Nor the hurt

Once upon a time
I died
I had my regrets no doubt
They were gone, taken away like so many things
Never to be seen until death beckoned to them too

Once upon a time
I died
With no happy ending
With no fairy-godmother
With no prince and no "living happily ever after"

Once upon a time
I died
Finally unchained
Finally being able to fly
Finally reaching the stars, flying beyond the clouds and moon

Once upon a time
I died
and became free
