Chapter 1. It's my story.

My name is Nee-ko Tasan. I used to be a normal person until…well why don't I tell you.

I lived in the Arctic. I had a great life, friends and family. One day I was going out to meet my `boyfriend' when I stopped by the old tree. Something felt wrong. Then I saw someone out of the corner of my eye. The person was male and looked like my boyfriend. Then it all went black.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
I woke up a week later in Tokyo, Japan. I was in a hospital getting two bullets removed from my hip. They asked me if I could identify the ammo. I could. It was the kind my boyfriend used when he went hunting.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
But hey, that was then, what happened next was WAY weird.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
I was getting used to life living with my billionaire grandparents in Tokyo. I was walking to dance class when I heard something. It was a voice talking to me, but it was calling me `Ichigo'. Odd I thought and kept walking. Then I was grabbed and kissed! Gah! So I smacked whoever it was. `He' stumbled then grabbed my arm. He looked at my shoulder than backed away and disappeared.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
I looked at my watch and screamed "Oh no! I'm late!" After a very long dance class, I headed out to a little restaurant called the `Cafe Mew Mew'. A girl took me to my seat then stared at my shoulder. She ran into the back.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

```
<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
```
What happened next was REALLY REALLY Weird! The girl comes back with a group of her friends and says I'm a `Mew' and I have to help save the world! Well all I said was "What the...I'm not a freak like you are." I started to leave when a little furry pink THING showed up, and I still am not positive what it is, and gave me a pendant. It screeched "Use it! Use it!" I looked at it and it flew forward clinging to my neck!

```
I stormed out and went to the bridge. I sat there and watched the lake. Then I heard a familiar voice say "So you know you're a mew?" "Gah!" I said and fell into the lake, jumped out and landed on the speaker. "You again! This is your fault isn't it! And who the Hell are you?" The `boy' straightened up. He had green hair, and elfish ears. His eyes appeared yellow. Then he smiled and said, "How rude. Oh well, what do you expect from a pathetic human. I'm Kisshu."
```
</p></div>
```

```
<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">
```

```
<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
```
I thought*that sounds familiar*. My mind zoomed back to the Cafe. I remember the girl saying "…And this guy Kissh and his friends are aliens trying to…"
```
</p></div>
```

```
<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">
```

```
<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
```
The rest was interrupted by Kissh saying "Wait; now I remember you!" I slowly inched away, and then ran back to the Cafe. Halfway I stopped and caught my breath. I heard from behind me,"Tired already?"
```
</p></div>
```

```
<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

```
I turned and there he was. "How the Hell did you do that?" Now I was scared. He grabbed my arm.
Scared, I grabbed the wrist he was holding me with. I heard a `shing'. Kissh backed up in pain. I looked
at my hand and gasped. I had Claws! I ran back to the `Cafe mew mew'. "Alright," I panted," I believe
you now!"
```

2 - my odd Life

Chapter 2. My odd life."Any way, not much has changed since I met the mew mews, and-" Nee-ko stopped writing and looked up. She had heard something ring. Not the doorbell. Not the phone. Oh right! She thought. She took off her mew pendant. Yep, it was glowing like a Christmas light. She said, "Hello?" Sherogane's voice responded, "Where are you? We need you at Tokyo Bay! Call All Of..." She broke off his sentence saying,"Mew mew 2000. Got It!" She hooked on her mew pendant and called Reiko, Caramel, and Cookie.Soon they were all at Tokyo Bay.They looked. Nothing was there. "Maybe its mew aqua." Said Reiko. "Maybe its candy!!!" Exclaimed Caramel."Oh my…"Reiko started but was stopped by something. The ground was shaking. "Not again!" They all screamed. We were flung backwards into the water. "Uggh," I screamed "I'm covered in fish!" Cookie looked at me and said "I thought you like sushi." I rolled my eyes at her. Reiko growled while clinging onto a pole. She jumped up and we all followed. We were mad. "Sushi." I said as I looked at the odd Chimera Anima. It was a giant squid. We all pulled out our weapons. The battle was short, because the squid was out of water, making it hard for it to fight. The girls walked back. I started but I was stopped by something grabbing my wrist. I was flung back into the water. I came up, sputtering. I looked at who had thrown me in. "Oh joy." I mumbled, seeing Kisshu, one of the most annoying aliens ever! And I only know three aliens. Well more like four, but I've only dealt with three. Anyway! He stared at me, with his golden eyes. I didn't know what he was thinking, and I didn't want to!

3 - Blood?

Kissh laughed at me and offered his hand to help me out of the water. Angry I swam to the ladder and climbed out, not surprised to see Tart there to push me back in. He was successful, and I was mad. Climbing out, I was now drenched. I leaped at Tart because he was closer and flung him into the water. He laughed as he floated and stopped halfway. I screamed at them both, and started to run. Halfway my feet started to hurt. *What now?* I thought. I saw them coming. Well, my animal instinct kicked in as I dropped on all fours and ran back to the caf. The girls stared at my scrapped knees, and wet hair. Don t Ask! I yelled. Ryuu (Yes that s how I spell it. Live with It) Started laughing at me. Keiichiro walked out of the kitchen, and walked back in, trying not to laugh. The rest of the mews started to laugh. I sighed. This was not my day. Purin pointed out, Your hair is like Ichigo-Onee Chan s! I pulled a strand of my hair in front of my face. It was red. I pulled and the red came off. It was blood. Reaching to the back of my head I felt a large cut. Then it went black.
