# 1 - AARON THE HEDGEHOG I: A TALE OF CHAOS CONTROL

PROLOGUE:

It was a normal day with Aaron relaxing in his hammock and Ace scarfing down Meat pies until a strange command came on their Monitor.

Chief: Attention Aaron and Ace! We have an Emergency!

Aaron: (picks up remote) I hate this channel.

Chief: Hey! Hold it! You have a mission!

Ace: BURP! That's nice, now I wanna watch The Hawk Egg Sunday program. Change the channel Aaron!

Chief: Whatever! Have you seen this hedgehog EVER before? (Holds up a picture of Sonic)

Aaron: Hmm...blue hedgehog...hmmm...nice hair...hmmm...never seen him!

Chief: This hero's name is Sonic the Hedgehog! Now the evil Dr. Robotni-

Ace: Eggman

Chief: Uh...yes Eggman has imprisoned Agent Sonic the Hedgehog in a Timesealed cell. The only way to get him free, is to locate the 7 Chaos Emeralds which Eggman hid in different points in time.

Aaron: OK, Sonic's doomed. Let's watch Hawk Egg!

Chief: CUT IT OUT!!! After the agency has researched the laws of time travel, they have come across a phenomenal scientific breakthrough which may be able to save Sonic. You must use this Chaos Control remote to travel through time and space and locate the Chaos Emeralds and harness their power to unlock the cell.

Aaron: BORing. Hawk Egg's away!

Chief: WOH! WOH! What if I give you...oh...four million bucks!

Ace: Ooh! Then we could watch it on Pay-Per-View!

Chief: Your remote should arrive in the teleporter any second!

Inside the teleporter, Aaron finds a strange remote control with lots of buttons and knobs. He picks it up and curiously stares at it.

Chief: Use the Green button to initiate Chaos Control. The Main Unit Curcuitry should be able to locate the Emeralds and take you right to 'em. You may need to do a little footwork though. DO NOT touch any other buttons. It's an unrelated research the agency's working on so don't use any buttons, but the green tracking button.

Aaron: C'mon Ace! The sooner we leave, the sooner we get to watch The Hawk's Egg!

Ace: ON PAY-PER-VIEW!!!!

BYOOOP!!!!

Chief: Those guys are goners.

## 2 - Chapter 1

BRZAP!!!!

Ace: Huh? Where are we?

Aaron: We're in the old days of Sega Genesis! This is Sonic the Hedgehog big debut! This is Sonic The Hedgehog! You can tell by the bad graphics.

Ace: WHAT!!!??? In this game we can only jump and roll! We can't beat all these Badniks like this! You lost your ability to turn into a ball after the incident with Eggman.

Aaron: (sigh) Don't wanna talk about it.

Ace: And I'M as heavy as a steamroller and can barely jump!

Aaron: I'd say...we're sitting ducks!

Ace: Curse Sonicteam's original video games' limited abilities!

Aaron: Hey! We're in 1991! This game was advanced for its time!

Ace: HEY! I've got it! We still have the Chaos Control remote! Maybe we can use it to beat all these Badniks and find the Chaos Emerald!

Aaron: OK! Let's try...the red button!

BYOOOP!!!

Ace: ACK! We're in the special zone!

Aaron: WOH!!! I'm just getting dizzy!

Ace: WAIT!!! This is our chance! This special zone will lead us right to the Emerald!

Aaron: But we can't do this game unless we can turn into balls!

Ace: Hmmm...Let's see what the BLUE BUTTON DOES!!!!!!

BRZAP!!!!

Ace: (cough) (cough) Flameththrower.

Aaron: Hmmm! If I aim it the shield guarding the Chaos emerald...

ZZAAAAAPPPPP!!!!!!

Aaron: Alright! No holds barred Emerald!!!!

Ace: uuuggg...

Aaron: Ace, stop staring at the distracting, hypnotic, beautiful, colorful, nice background and follow me to the Emerald!

Ace: Could you carry me?

Aaron: (rolls his eyes) Only if you start dieting. LET'S GO!!!

Aaron manages to pick Ace the heavy hawk up and runs toward the Emerald, but when you find the Emerald in a Special stage, you leave the zone and return to...

Aaron: A GIANT EVIL MOB OF BADNIK BEES AND CCRRRAAAAABBSSSS!!!!!!!!!!!!!!

Ace: ok, that wasn't supposed to happen.

Aaron: Maybe it's the Chaos remote we're using. The chief SAID we can't touch any other buttons but the green one.

Ace: WELL PRESS the green one and GET US OUTTA HERE!!!!!!

Aaron: OK! To 1992!!!!!!

BYOOOOOPP!!!

Ace: Where are we now?

Aaron: We're in the game that introduced the popular character TAILS!!!!

Ace: That guy? Hmm...I checked this website before and this one character profile said that he was a-

Aaron: OK OK! We're in Sonic the Hedgehog 2! Now we just gotta find that Emerald!

Ace: Hmm....Toxic waste...giant steel factories...Badnik robots...hmm...WE'RE IN CHEMICAL PLANT ZONE!!!!!!

Aaron: Ug...I thought I'd never have to do this level again. Don't tell me we're in zone 2.

Ace: Now where's that Emerald.

Aaron: Well we won't find it standing here. Time for a high speed coiling road ride!

Ace: (sigh) The only GOOD thing out zone 2 is the MUSIC.

Aaron: I don't run as fast as Sonic, but I can still make a good 100 or 120 mph!

So Aaron dashes along the coiling rail as Ace helplessly limps along the other one and they miraculously stop at the end at the same time.

Aaron: Ah finally! I'm glad you made it Ace! Nothing like a some good speedy footwork in the morning!

Ace: YAH! I just took the elevator.

Aaron: elevator? never mind. Where could that Emerald be?

Eggman: EMERALD!!! did somebody say Emerald? Ah well if it isn't Spade and little Aaron who can't turn into a ball. HAHAHAHAAHAAAA!!!!!!

Ace: You gotta work on that villanous dialogue, Egghead and MY NAME IS ACE!!!!!!

Eggman: Hehe! Ace, what a card. HAHAHAHAAHAAAA!!!!!!

Aaron: What're you talking about?! I can still roll! (sort of)

Eggman: HAHA!!! YES!!! and you've "rolled" right into my trap! I already have the second Emerald, so since you can't get it, you'll never be able to get back home.

Ace: He's right! We can't initiate Chaos Control again unless we have the Emerald! Or else we're stuck in 1992!!!!

Aaron: OK, I can't roll, but I CAN do THIS! BLUE BUTTON POWER!!!!!!

FWOOM!!!!!!

Eggman: (cough) (cough) Flamethrower?

Aaron: Now it's time for me to claim my prize and get outta here!!!!!!

Eggman: WAAAHHHH!!!!!! My Emerald!!!!

Aaron: I think you mean MY emerald! C'mon Ace!!! We're off to Sonic the Hedgehog 3! CHAOS CONTROL!!!!!!

Ace: I hope we don't run into HIM again!

Eggman: ARGH!!!! They've got the Emerald!!!! They only need 5 more to unlock Sonic's prison cell! But not if I can help it!!!!

## 3 - Chapter 2

BRZAP!!!!

Ace: Oogah!!!! Where are we?

Aaron: We're in 1993! Sonic the Hedgehog 3!

Ace: HEY! This is Knuckles' debut right?

Aaron: But in THIS game, Knuckles is our biggest enemy.

Ace: And WE'RE on Angel Island!...er this is where Knuckles lives right?

Aaron: Boy, he could be ANYWHERE!

ZIP!!!!

Ace: WHAT!!!! The Chaos Emeralds!!

Aaron: They're gone!

Knuckles: Looking for THESE?

Ace: !?!?

Aaron: Knuckles!!! Give those 2 emeralds back RIGHT NOW!!!!

Knuckles: HA!!!! That's what you get for stepping onto MY territory! Now LEAVE!!!! and you get them back.

Aaron: NO WAY!!!!

Ace: We've got a mission to do from the Agency! We won't leave until we've found what we're looking for!!!

Knuckles: The Master Emerald???

Aaron: A chaos emerald!!!!

Knuckles: LIES! I guess these emeralds are MINE NOW!!!! (runs off)

Ace: (sigh) He was our friend 10 minutes ago, and now THIS?

Aaron: Remember Ace, we're in the past now. Nothing is like it is in the present!

Ace: Well enough with that! FOLLOW THAT ECHIDNA!!!! I'll bet he holds the 3rd emerald!!!

(At the shrine of the Master Emerald)

Aaron: Aw man! That was the most awesome party ever!!!!

Ace: I know! I never thought we'd ACTUALLY clog up the O-zone layer!

Knuckles: Hmmhmm! I'm back, but I've got company on my tail.

Aaron: \*whispers\* huh? What's going on? It's like he's TALKING to the Master Emerald!

Knuckles: WHO GOES THERE! SHOW YOUR FACE!!!!

Aaron: Hey Knucklehead! You're pretty good at leaving footprints!

Knuckles: You wan't a footprint on your FACE?!?!

Aaron: Knuckles! We don't want the Master Emerald!

Knuckles: Then WHY are you on my island?

Ace: We only got a message from a Secret agency ordering us to find the Chaos Emeralds and our Chaos Control remote told us an Emerald is here!

Knuckles: HA!!! Don't tell me your secret agents!

Aaron: We ARE!!! We're from the future!!!!!! You gotta believe us!!! We only want the Chaos Emerald!!!!

Knuckles: If I give you your Emeralds, will you leave Angel Island and never come back?

Ace: Sounds fair enough.

Knuckles: Fine, here. Take them.

Aaron and Ace take Knuckles' three emeralds, but they explode in smoke. The next thing they know, they're in chains.

Knuckles: HAHHAHAHA!!!!

Ace: WHAT!? Those emeralds are fakes?

Knuckles: I am Knuckles the Echidna!!! Last heir of the Master Emerald!!! As guardian of the treasure which neutralizes the Chaos Emeralds, I shall not take any chances!!!!

Aaron: WOH!!! We had a deal!!!

Knuckles: Deal? HA!!! I had my fingers crossed!

Ace: Knuckles, wait!!!!

Knuckles: Now you two are leaving my island, the hard way!!!!

So Knuckles dragged Aaron and Ace to the edge of the island attempting to drop them into the ocean.

Knuckles: Any last words thieves?

Aaron: as a matter of fact yes. CHAOS CONTROL!!!!

Ace: The orange button freezes time?

Aaron: yup! Hurry! While time is still stuck! We have 20 seconds to snag the emeralds and get outta here!

Ace: I miss Knuckles as our friend. I can't wait 'til we go home.

BRZAP!!!

Ace: Ooh! At least we're 3D!

Aaron: Of course we are! We're in Sonic and Knuckles!!!

Ace: This is the game when Knuckles is a good guy again right?

Aaron: C'mon! The emerald's hidden somewhere on Mushroom Hill!

Ace: How do we find it?

Aaron: Beats me. My best guess is that it's somewhere in the special zone.

Ace: Special Zone? ALRIGHT!!! The special zones are so much fun!

Aaron: I'll bet the RED button'll take us there. CHAOS CONTROL!!!!

ZAP!!!!

Aaron: Sweet! In this zone, we gotta get all the blue orbs!

Ace: Blue! Got it! Ooh! Whadoo the red orbs do!!!

ZAP!!!

Ace: OWIE!!!

Aaron: Don't touch them Ace! They're dangerous!

Ace: Oh thanks for telling me NOW!!!!

Aaron: Well c'mon! Let's go find the blue orbs!

Ace then hatches an idea. He pulls out a sack and starts grabbing orbs.

Aaron: Ace? Whatcha doing?

Ace: Maybe if we bring these to the agency, it'll help their research, and we'll get paid even more!

Aaron: Good thinking! We could watch the Hawk's Egg on pay-per-view TWICE!

later...

Aaron: I think that's all of them!...

Eggman: Oh I wouldn't say that!

Ace: ACK! Eggman's got the last orb!!!

Eggman: You'll NEVER get home NOW!!! HAHahaha!!! Nice try though! Looks like YOU two are stuck in the special zone!

Aaron: AGH! You are SO gonna pay. CHAOS CONTROL!!!!

Ace: What're ya doing?

Aaron: Taking what's rightfully mine! HERE it is! Roll in a bottle! Eggman may THINK he can trap my rolling powers in a little jug like it's a bunch'o'KETCHUP, but he's got another thing coming! TIME UNFREEZE!!!

Eggman: Huh? What happened?

Aaron: I DID, EGGHEAD!!! And now you get your snack!!!!

Eggman: A spin dash!? But how? AGH!!! The bottle is empty!!!

Aaron: P.U. Som'n stinks! Perhaps you should try some of Aaron's "roll-on" deoderant!

SMASH!!!!

Ace: Alright! We have the last blue orb! Now we got 4 Chaos Emeralds!!!!

Aaron: And three to go!!!! C'mon pal'o'mine! CHAOS CONTROL!!!!!!

## 4 - Chapter 3

BRZAP!

Aaron: Alright! We're in the first 3d Sonic game! Sonic 3D Blast!

Ace: Hmm...the graphics still could use a little work.

Aaron: OK whatever. To find the Emerald here, we'll need to find the Flicky and bring it to the dimension ring.

Author's note: Flickys are tiny, strange, mystical birds who have the powers to locate Chaos Emeralds only if you help them get home.

Ace: Doesn't sound too hard.

Aaron: I bet he's in that Badnik over THERE!

SPPPIIIINNNNNNNNN.....

SMASH!!!!

Flicky: Ah, thank you.

Ace: sweet! The Flicky! That was pretty easy!

Flicky: Huh? Where's my home? Could you guys help me?

Ace: [Awww...It's](#) so cute! We'll help you Flicky.

Flicky: YIPE!

Eggman: HA!!! This Flicky is MINE now! You will NEVER save Sonic!!! Next I'll be taking my Chaos Emeralds!

Aaron: oh yah? CHAOS CONTROL!!!!!!

BRZAAAaaaaa....

Ace: The battery's DEAD!!!!

Eggman: HAHAHAHAAHAAAA!!!!!!

Aaron: Well I guess I'll just have to take Flicky back the old-fashioned way!

So Aaron jumps up into Eggman's flying cart and snatches back Flicky and the three take off at high-speed.

Flicky: THANK YOU AARON!!!!

Aaron: Eh...we're only after the Chaos Emerald.

Ace: [Awww...don't](#) be so hard on him, Aaron.

Aaron: I've lost my ability to roll and we're stuck in an old 3D game, I'm not going easy on ANYONE!

Flicky: (i don't like aaron)

Aaron: Here's the Dimension ring Flicky. Now that you're home, guide us to the Chaos Emerald.

Flicky: EEK!!!! I don't think I can do that!

Aaron: Oh, shut your beak, I guess I'm on my oowwWWWNNNNNNNN!!!!!!!

Ace: AGH!!! Badnik robots!

Aaron: Oh boy! I can't spin dash, I'm stuck in a dumb video game with this stupid, annoying bird, AND we're gonna be mauled by robots!!!! Can this day get any better?

Flicky: I can help!

Aaron: Well ACTIONS SPEAK LOUDER THAN WORDS!!!! HELP US ALREADY!!!!

Flicky: OK! I'll be right back!

Aaron: hmmph...he prob'ly bailed on us 'cause he's afraid.

Ace: Boy, this sure isn't like you Aaron.

Aaron: Hey look! Flicky's back!

Flicky: I picked up an invincible item box! Now I'm invincible! WEEEEEE!!!

Aaron: pffth! HA! Let's see what he's got!

So Flicky dashes through all the enemys destroying them one by one and also rescuing a couple of his friends.

Ace: Thanks Flicky!

Flicky: Tee hee! Your welcome Ace!

Ace: Huh? Where's Aaron?

Aaron: hmm...

Flicky: maybe Aaron needs to be alone. Anyway, I have your Emerald in my pocket! I guess I kinda lied since I don't trust many people. Here you go!

Ace: That's OK! Hey Aaron! Lets beat it!!!!

Flicky: HEY! Can I come with you! I wanna help Sonic too!

Aaron: Hmm...no!

Ace: ah c'mon Aaron, the more the merrier!

Aaron: That doesn't go for Flickers.

Ace: C'mon Flicky! Let's go!

Flicky: YAY!!! Tee hee!

Aaron: Fine, just don't get in our way, and if you can't keep up, too bad.

Flicky: I'll try Aaron! Let's go!!!!

Aaron: Time for a change of pace! The 6th Emerald is hidden in Sonic Adventure for the Sega Dreamcast!!!!

BRZAP!!!!

Flicky: Neat! This place is AWESOME!

Aaron: Oh be quiet Flicker!

Flicky: hmmph...,

Ace: So where would the Emerald be here?

Aaron: First things first! We need to get my rolling powers back.

Flicky: WEEEE!!! Then let's go!

Aaron: I said be quiet.

Eggman: HAHAHA!!!!
