**Chapter 1 - Loneliness**

# 1 - Loneliness

Loneliness comes with sadness  
Solitude roams through darkness  
The unhappiness of being alone can even lead to madness  
Caring whether you are loved is an important thing  
Loving someone even through misery  
Makes that one person want to dance and sing  
Being ignored and feeling down makes the whole day a drag  
Sometimes thinking about things can help make better sense  
Loneliness comes when you think your all that and brag  
Don't make fun of what you don't understand or know  
Because everyone has feelings and a heart  
Like a present is wrapped with paper and a bow  
It can turn the world upside down  
Like a fish out of water and a bird not flown  
And a smile turned to a frown  
These feelings may come and go  
But they will always remain in the back of your mind  
As the feelings you want no one to ever know
