*This is basically a poem on what I feel love truly means and what I believe it should be*

**Chapter 1 - An Undying Emotion**

**2**

# 1 - An Undying Emotion

Love is faith. Love is trust  
It's an undying and caring emotion  
Love is like the breeze you feel in the air  
Never seen but felt  
Love is sad, but never wrong  
It's like mixed up chemicals in your heart and mind  
Love is found anywhere and everywhere  
As long as you look and hope  
Love can be kept if you try hard enough  
Can be easily let go if given up by  
It takes two hearts, so don't let one die  
Jealousy and anger may waver this emotion  
So keep guard and don't let them take over  
Love can hurt and break friendships  
But don't ever give up on it  
Because it will never give up on you  
Won't let you go, even if you run  
Save love and don't take advantage  
It's unpredictable, yet never ending  
Love is always forever
