Chapter 1 - Bedside View

1 - Bedside View

Sweet wonderful bed
A place of solitude
A place to think
Pillows wet with tears of distress
Memories feel the bed sheets
The air in the room is filled with the love
The door is closed and an endless sleep begins
Sometimes you hope to never get up
You don't want to face the reality
Closure and comfort awaits you under the sheets
You wonder why he isn't there with you
Waiting by the side of the mattress
Hoping he comes to lay beside you
Dreaming of his arms around you
Butterfly kisses surround your face
Romantic music that makes the night yours
