Chapter 1 - Confused Love

1 - Confused Love

Does he love me?
Does he wish I wasn't here?
I miss him dearly cant he see
All these constant questions are building up with fear
I hope I haven't lost his love
If I do I will surely cry
I keep praying to the heavens above
If he breaks my heart I will want to die
I love him with all my heart
Can't he see in my eyes?
I guess that we have grown apart
I can feel it through his lies
The death of our love is all I can think about
He hurt me so bad I fell to my knees
I yelled out in anger and shout
He wouldn't listen to my cries or pleas
The silence is all I can hear
I wish that I could hear him say, "I love you my dear"
