Lambda Experiments

[In Cheery's and Buckles' house]

Cheery: *wakes up* Yawn...Wonder what's gonna happen today. *walks outside*

Buckles: *was playing video games all night* Must...kill...2...more... o_o

Cheery: *is outside* Okay let's see...*walks into forest and sees a cat* ...?

(A loud stinging noise is heard in Cheery's head)

Cheery: *begins holding head* Augh...Ah! >_<

[Flashback- 14 years ago when Cheery was a baby in the same forest]

Cheery: Goo goo gah gah! ^^

Cheery's mom: Don't worry, Cheery. Everything will be okay, along with your 2 siblings, which are around here somewhere...

Cheery: ^^

(Suddenly, lots of strange androids come out of nowhere)

???: Freeze, citizen!

Cheery's mom: Eep!

???: Give us the baby.

Cheery's mom: What? No! Not on my life!

???: Give us the baby...men, present arms!

???: *gets out 9mm pistols*

Cheery's mom: I'm not giving my babies to the likes of you!

Cheery: Goo? o_o

???: Fine then...shoot!

(lots of gunshots were made)

[Back where Cheery is...]

Cheery: *stops hearing sound* ...What...was that? *looks at the 1 cat again* What happened when I saw those two?...Ah well, I'll continue walking...*walks more*

???: Was that...

Cheery: *continues walking and sees blood on the grass* Whoa! Who's blood is that? ...Hmm...what was that noise about? Must've been some hallucination...*continues walking until he reaches a skeleton*

Ah! What the hell?!

(Weird noise is heard again)

Cheery: Gahh...*tries resisting*

[Another Flashback- 14 years ago]

Cheery: Whaa! *begins crying alot*

???: Take him.

???: Roger that. *takes Cheery and carries him toward a large faculty building*

???: ...Hey boss, there's 1 more here.

???: Take her too.

???: Right... *takes the other baby too*

[Back in the forest...]

Cheery: ...who were those people? Gah, I gotta get out of this forest! *runs out of the forest and crashes into Kenny*

Kenny: Hey!

Cheery: Crap... *gets up* Sorry Kenny...

Kenny: Meh, no problem. Do you know where Buckles is?

Cheery: He's in my house still...

Kenny: Oh, okay. Thanks, Kitty-cat! *punches Cheery in the gut and goes toward Cheery's house*

Cheery: Ow! >.< Damn, I swear I'm gonna get him one day like last time... I gotta go somewhere... *runs into a deserted building* Ow! What the...

(Weird noise)

Cheery: Gah! Not again...

[Another Flashback- 14 years ago...]

???: Where should we put these two?

???: We need to get to the lambda experiment chambers, it's located in New Mexico somewhere. There's a teleporter in this building recently made.

???: Roger that.

???: Now these two will be part of the experiment that will change history...

Cheery: Whaa! *crying more*

???: Gah, this one is getting annoying!

???: Calm him down then!

[End Flashback]

Cheery: ...Teleporter...lambda experiment chambers? What's going on!? *goes inside the building*
(In the building, a teleporter is seen)

Cheery: Hmm... *goes into the teleporter* I'll get the answers soon... *teleports away*

[In a factory]

Classic: Boss, we still haven't found him yet...

???: Don't worry, I'm sure he'll come our way soon...

Classic: ...Hey, how come you're the leader of this organization? You're also an experiment, named the Genetically Engineered....

???: Quiet you, or be killed.

Classic: Sure...

[Meanwhile, in the teleporter room]

Cheery: *gets teleported onto a table* Ow! Wait...I reconize this...

(loud noise)

Cheery: ...Ahhh!

[Flashback- Cheery and the other cat is put into the chamber]

Scientist: So now we add the fox genes to these two right?

Scientist 2: Indeed. One is Cheery and the otherone is...well, she doesn't haven't a name...

Scientist: Hmm...let's call her..."Malo".

Scientist 2: Okay, inserting fox genes...now. *presses the button*

[Back at the teleporter room]

Cheery: ...Malo...

???: Freeze!

Cheery: Not you people! *gets out frying pan and begins attacking them*

???: Augh! *calls radio* We need more Combine solders in her- AUGH!

Cheery: Damn, that was close. *runs out of the door and sees tubes* Whoa...*sees a broken one* ...0_0
Aahh!

[Flashback-in the Tube chambers]

Combine Solider: The experiments are almost done, Malo has progress the most...

Scientist: Indeed, Cheery's not going so well...his memory is fading...

Combine Soilder: ...And?

Scientist: Don't you know? He'll never know about this experiment, someone needs to tell him!
Probably...

Combine Soilder: Don't get a mind, just shut up and finish i-*gets shot*

Chief: Don't worry, Cheery! I'll get you out! *shoots Cheery's glass out*

Cheery: *falls out of the chamber* Whoa...where am I?

Chief: We have to get out of here!

Combine Soilders: *run it*

Chief: Come on, let's go!

Cheery: Okay...*gets tugged out of window* Ahhh!!

Chief: Ya! *lands*

Cheery: Eep! *lands on his tail* Ow!

Chief: What the...

Cheery: *gets up and fluffs out his tail* What?

Chief: What happened to you?

Cheery: What?

Chief: You were a cat...

Cheery: I don't know what you're talking about...

Chief: Hmm...Well we still have a long way to go, you might as well take this. *gives Cheery the Gravity Gun*

Cheery: What's this thing?

Chief: You'll find out soon, follow me out of here.

Cheery: ...okay... *follows Chief* What's happening...

[/flashback]

Cheery: ...I was...a cat...and a experiment?

Combine Soilder: Freeze! *puts gun up Cheery's head*

Cheery: Gah! 0_0

[In the bosses room]

Classic: We are certain that most of the Combine are taken out of the base since someone intruded, there must be a REASON!

???: We know that, and he seems to be coming in now...

Cheery: *gets pushed in* Ow!

Classic: It's you!

Cheery: It's you!

???: You two seem to know eachother...

Cheery: Who are you, and what did you do to me?!

???: So you know the truth now...

Cheery: Yes I do! What do you want with me?! And why was me and Malo part of an experiment?!

Classic: Enough! You know too much! *gets out shotgun*

Cheery: Grr...

???: No, I'll take care of him...

Classic: What?! But G.E.O...

G.E.O: Enough. I'll take care of this nuisance immediatly, he was a failure after all...

Cheery: I am not a failure! *tries to reach weapons* What the...

G.E.O: I notice that you're weapons are taken away...this will be quick...

Cheery: Damn you...

G.E.O: Now you'll suffer like the rest of my people...

Cheery: Gah! *runs out of the door*

G.E.O: Rrr...Ah! *charges toward Cheery*

Cheery: *notices the Frying pan and takes it* Gah! This won't be enough... *sees a pistol and yinks it and turns around* Die!

G.E.O: Hah!

Cheery: *Begins shooting*

G.E.O: *dodges the bullets and lets out the sting ray*

Cheery: Damn, I need a better gun! *runs towards the weapon chamber* Let's see...chainsaw, frying pan, .357 magnum, pistol, AWP, crowbar, *takes gravity gun* ...hmm... *takes the RPG* This would work...

G.E.O: *busts in the weapon room* Now you'll die, along with your mom!

Cheery: ...Gah! *shoots G.E.O with the RPG*

G.E.O: What the?! *gets hit in the left side with it* Gah! *blood splatters everywhere* This isn't the end...

Cheery: Yes it is! *grabs the Sub-Machine gun and begins shooting G.E.O everywhere*

G.E.O: Ahh!

Cheery: ...

[Flashback- At the end of the forest]

Chief: I'm sure you don't know about G.E.O, do you?

Cheery: I can't remember anything...

Chief: Hmm..it seems that you're memory is screwed up...you still know you're name, right?

Cheery: Of course, it's Cheery.

Chief: Hmm...okay, You'll have to go on your own for now, try finding someone you know, and also try to find a job. Until then...you're on your own.

Cheery: But...where do I start?

Chief: Start with someone you can trust, probably someone who could still be in your memory...

Cheery: Okay...i guess.

(In the city, in a house)

Buckles: Hmm...*sees Cheery* Do I know you?

Cheery: Huh?

Buckles: Do I know you?

Cheery: I'm sorry, I don't know anything right now...

Buckles: Wow, it's like memory lost...where's your mom?

Cheery: I...don't know...

Buckles: Ah...it looks like you need to get this town a bit more. Since you seem reconizable with me, I'll even be your friend.

Cheery: Friend...is that...good?

Buckles: Yea! You just need to relearn things from step one.

Cheery: I see...okay. I get ya.

Buckles: Good...okay, you see-

[/flashback]

Cheery: G.E.O...

G.E.O: ...You'll...suffer...

Cheery: Yea, right. *steps on G.E.O's head and walks out the door*

Classic: *points gun at Cheery* Freeze!

Cheery: *walks toward exit more*

Classic: I don't want to shoot you! STOP!

Cheery: ...*looks at Classic with a grim look*

Classic: ...0.0; *runs away*

Cheery: ...what's the point of going on...

???: So you're giving up already, eh?

Cheery: What the?!

Malo: We meet again...

Cheery: You...You're from the experiment!

Malo: Yes I am, seeing how I am complete more than you...

Cheery: I am not an experiment!

Malo: Yes you are. As you see...you are the third experiment for this, and I am the 2nd...

Cheery: Then who's the 1st?

Malo: That I do not know...maybe it was G.E.O, or did you kill him?

Cheery: Back off, I don't want to do the same thing I did to that evil creature...

Malo: Don't you see? The 25 experiments are spread, and some more are being made. *walking towards him* All...going...after...you.

Cheery: Grr...wait...You must know about these memories I missed, right?

Malo: You mean mother?

Cheery: ...mother...

Malo: Yes Cheery...you are my Half-Brother...

Cheery: No I'm not! You are not related to me! *begins charging toward Malo with the frying pan*

Malo: *gets out baseball bat and blocks the frying pan* You may not like it, but I. AM. *pushes Cheery against the wall that is almost broken*

Cheery: Gah! *almost falls off* Whoa!

Malo: And you'll regret it, because they will come for you...and your friends...

Cheery: No...

Malo: Including the one you like...

Cheery: Grr...*begins clushing Frying pan harder, which makes his hand bleeds*

Malo: *walks away* And you'll become a memory once more, just like last time...

Cheery: What?

Malo: You'll find out...eventually. *fades away*

Cheery: Hey! *runs towards her*

Malo: So long...half-brother...*completely fades*

Cheery: Grr...that's it. If obviously there are 25 people are chasing after me, and I killed the first, I'll bring them all down at the same time. *presses self-detanation button*

Machine: 5 minutes till explosion...

Cheery: Time to hit it...*looks at the tubes* ...I hope you all don't hate me if you're complete...*goes to the teleporter room and teleports away back to the building*

[Back in Happy Tree Town]

Cheery: ...become a memory...*walks out of the building*

(Huge explosion is heard from far away)

Kenny: Whoa dude! What happened there?!

Bo: I dunno...

Pukey: *hits Bo* Shut up!

Others: Oooo....Ahh...

Cheery: ...*goes to park* Well...at least I'll still live with some of my friends without the others coming for me...
