1 - Tails and Cream

It all started on a hot Summer day. Tails was going into school for his first day in fourth grade when he saw a cute brown bunny crying. He walked over and said, "Whats wrong." " I can't find Cheese." " Who's Cheese." "My chao." Tails started looking through his backpack. 2 minutes later he pulled out a sleeping sky blue chao. He was wearing a bright red bow-tie. He was small enough to easily fit in a pair of hands with his feet hanging out of your hands. " Cheese. Where was he." " On my front lawn playing in our sprinkler." " Thank you so much uhhhh..." "Miles Tails Prowler but you may call me Tails, and you are..." Cream, we are late for class, what class do you have. "Hmmmmmmmmm aha, Mrs.Reed" " Same here, lets go." After school they walked home together " Bye. " " Who was that." Amy said as Tails walked inside. " That's my new best friend, Cream." "She was pretty. Also nice, I see why you love her." "WHAT.....uhhhhhh I don't love her. What makes you think I like her like that." "Okay, well that's an easy one, well first of all your cheeks are as red as ripe apples, your hands are as sweaty as a fish, your murmuring whenever you talk, the whole time I've been saying all of this you have been smiling. Face it Tails you have fallen head over your heels greatly and deeply in love." Tails was speechless after this. He just said " Shutup." Amy walked out, turning to look and smiled at Tails. Tails then just looked down and started working on a new invention. About half an hour later Sonic came by a half an hour later. " Hi Tails, whats up. I made a hydro" "Sorry Tails I gotta go." " / wonder if Cream would run out like this" " Ewwwwwwww, why am I thinking of Cream I don't like her,no,never,uh-uh I never have or will like her, no matter how radiant,attractive and kind she is. Cream and Tails spent the next few weeks playing a variety of games. One day Cream stopped playing their game she walked over to her and said " I have something for you." She got into her playsack and pulled out a small red heart shaped box" Thank you." Tails said gracefully. " Tails, I have something to tell you. "Awwwwww did you forget where the jumprope is." "No it's much worse, we can't play with each other anymore." " But...but.....but that is not fa-" Cream leaned over and gave Tails a wonderful kiss on the lips, he was shocked, he had never been kissed before in his life. He felt weird inside, but weird in a good way, he felt real sick and good at the same time. He knew it didn't make sense but that was the way he felt. Cream had tears pouring down her cheeks. They stood there, staring at each other for what seemed to be a decade. Then without warning, she ran off, into the forest crying her eyes out. " I'm sorry Tails." yelled Cream as her faint voice faded away into the distance . "I'm sorry." she whispered to herself. "Wait, you don't have to leave. Please stay" sobbed Tails. Tails still thought he heard her crying, but then he realized he was the one crying. Tails ran off to find her, but he never did.

2 - What sonic did

Tails was shocked when he opened the container, inside layed a crystal heart. In the glass heart he found a sparkling red liquid. He took a gold necklace from his pocket and attached the heart to it, never to take it off again. He looked at his necklace and noticed a small picture of Cream. When he saw Cream ""smiling"" at him he smiled greatly.

3 YEARS LATER

It was a normal day. Tails was walking in to middle school for the first time in 7th grade. He was walking into school when he saw a familiar face. 3 years without seeing her and standing right in front of him was Cream, the glorius rabbit, who was, now much more mature. ""Cream, is that you."" ""And you are...."" ""Tails."" "" Who."" "" Miles Tails Prowler. We went to grade school together."" Uhhhhhh I gotta go...."" Cream ran off. Tails was about to cry. He looked at his necklace and thought ""*No I will never let her go. Not again. I love her too much.*"" He looked down and saw some muddy footprints. He atoumatticaly knew that they were Creams. So he started following them, he knew he shouldn't, but he was curious, too curious. He noticed that the trail led outside. He snuck out when nobody was looking. Once again he did this out of curiosity. He kept looking around and after twenty minutes he heard voices. He recognized one voice as Cream's and the other one sounded familiar, but he couldn't place his finger on it. He kept thinking "" *Who's voice is that.*"" If he knew who it was or what it would cause he would have never looked beyond that bush. A horrible terrible thing awaited him beyond those bushes. He peeked out from behind the bushes and saw a nightmare come true. Not even ten feet in front of him was Cream and Sonic kissing. He couldn't believe it, in front of him was the love of his life and his now worst enemy KISSING. As he wittnesed this a fire grew higher and higher inside of him, he grew madder and madder as the fire grew. He ran out of the forest and straight home, skipping school. When he got home he ran right to his bed and cried until he had no tears left. The next day after school he walked home, avoiding Cream and Sonic in all possible ways. On the way home it was raining making his bad mood even worse. He saw a yellow daisy and stepped on it then shot it with a molecule-disasembler, melting it down to not even molecules. Then on the side of the road, he spotted a pink flower and a blue flower. He grew a big smile on his face, he had an idea. He crushed the blue flower in his hand, leaving the pink one in his pocket. Then the fire grew and exploded inside of him, Burning away all other feelings. He decided to follow through his disasterous plan, to get back at Sonic.

3 - Tails plan

He ran home calculating everything in his plan. He pulled out a radar and found where Sonic was, and when he would walk into his door. Tails ran into the house and said "" Ohhhhhh Aaaaaammyyyy. "" "" Why are you talking to me like that. "" ""Well Amy, there has been something I always wanted to tell you, I love you. "" ""Really. I have felt the same way about you. "" ""Okay, thats just plain creepy. I never knew she had feelings for me too. One word W-E-I-R-D. "" "" I've wanted to do this all my life. "" Tails ran over to Amy, leaned Amy over, wrapped his Tails around her waist and kissed her on the lips. Sonic walked in seeing the whole thing, the kissing, the blushing and afterwards the giggling of Amy. ""Amy"" "" Ahhhhhh.....uhhhhhh..... Sonic, it was Tails. "" ""Tails!"" "" Hey it wasn't my fault!"" What do you mean, so was it my fault! "" ""YES!"" "" How was it my fault, I didn't wrap my Tails around Amy!"" "" Your right, but you did wrap your arms around Cream!"" "" I didn't know you liked her, I just went out with her because I had to get rid of Amy!"" ""What's wrong with Cream!"" ""Nothing if you like little stupid bunnies!"" ""Shut up!"" yelled Tails pouncing on Sonic. They were fighting for not even ten minutes when Amy yelled ""STOP IT!!!"" "" I'm outta here!"" yelled Tails as he stormed outside. It was still daylight when he went outside. He was running as fast as he could when he felt a strong but comfy force slam onto his head. ""Owwwwwww. "" Tails said as he saw that Cream had stopped him with her ears. "" Tails I have something to tell you. "" ""I already know. "" "" Are you sure we're talkin about the same thing. "" "" Of course I'm sure "" ""Do you hate me for it. "" Actually yes, I wish you could have told me sooner. Now go play with your dum dolls you ugly, stupid, little baby rodent. "" Cream ran off into the park, sat on the jungle gym and cried. Then Knuckles, Rouge and Vector walked over and started picking on Cream. Tails couldn't hear what they were saying and he didn't care. Then he looked over and saw Vector punch Cream across the right cheek. ""HEY"" Tails ran over and said "" Leave her alone. "" ""Shutup baby"". Then Rouge was about to kick Cream in the face, then Tails jumped in front of the foot and got kicked in the face. "" Tails, you still have feelings for me too. "" "" Huh. "" That is what I was trying to tell you. "" SHUT-UP. "" Then Knuckles took the gold necklace from Tails and smashed the crystal heart. Tails felt like his heart was crushed along with the crystal heart Cream had given him. Tails and Cream were filled with anger. They stood up, with a great power flowing through their blood. Tails's tails flew high into the tree. They were at least 20 feet long. Then the two tails split, then again and again, until he had at least 14 tails, all lifting into the air. He had become....Turbo Tails. Cream had ears the size of busses. She could fly for days, and she was so strong, she could flap her ears so fast and powerfully it could cause a easy level 10 hurricane. She could run 200 times the speed of Sonic. The bullies tried to run but Tails grabbed onto the waists of the bullies and held them high into the air. Then he just dropped them. Cream started running around the bullies, she created a level 6 tornado that flew them away. Cream and Tails returned back to their normal selves. "" Cream..... did you mean what you said. "" "" What. "" ""The thing about still having feelings for me. "" "" Of course I did. "" "" Really. "" "" Yes, Miles Tails Prowler, I love you. "" Cream gave a long kiss on the lips. ""Any way how did we do that. "" "" I know"" Cream replied. "" How. "" "" Love "" "" TTTTAAAAAIIIIIIIIIISSSSSS. "" Amy screamed as she came at him with her hammer. ""YOU MEAN YOU WERE JUST USING ME TO GET BACK AT SONIC. WHY I OUGHTTA RIP YOUR TONGUE OUT HIT YOU WITH IT AND WHACK YOU LIKE YOU'VE NEVER BEEN BEFORE!!!"" By this time Tails already grabbed Cream and were running, but being chased by Amy. Cream kept asking ""huh"" and ""what"".
