2 - It's not that big a deal

Okay so an absolute TON of people are tripping out about other people pairing their OCs with the same character that their OC is paired up with. I have one thing to say to you people: WTF!? Seriously why does this matter????? I mean I rarely pair my OCs with a cannon character from a TV show/Book/Movie, so I honestly don't get pairing your characters up with the cannon characters in the first place, let alone making a GINORMO (Yes I know that isn't a word but this is my story, so shush.) deal about! Kk? Kk. So just chiiiiill. Oh ja I want to call out to my online sister WhatevaYaoiGal: HIIIIIIII!!!!!! LoL 'Kay. So now I shall dedicate the following lyrics to y'all who are making a huge deal out of your OCs:

Don't want to be an American idiot.
Don't want a nation under the new media
And can you hear the sound of hysteria?
The subliminal mind frack America.

Welcome to a new kind of tension.
All across the alien nation.
Where everything isn't meant to be okay.
Television dreams of tomorrow.
We're not the ones who're meant to follow.
For that's enough to argue.

Well maybe I'm the prick America.
I'm not a part of a redneck agenda.
Now everybody do the propaganda.
And sing along to the age of paranoia.

Welcome to a new kind of tension.
All across the alien nation.
Where everything isn't meant to be okay.
Television dreams of tomorrow.
We're not the ones who're meant to follow.
For that's enough to argue.

Don't want to be an American idiot.
One nation controlled by the media.
Information age of hysteria.
It's calling out to idiot America.

Welcome to a new kind of tension.
All across the alien nation.
Where everything isn't meant to be okay.

Television dreams of tomorrow.
We're not the ones who're meant to follow.
For that's enough to argue.

Oh and random cuteness:

Tee-hee! Peace out!
