1 - Separation

Separation:

I'm surrounded by manipulators

People who are blind

Seeing only what they want to see

Creating images and illusions

Making a perfect world and life

Introducing me to strangers

Who act like people I know

Yet I don't feel the warmth

Making me utter words saved for loved ones

Not replacements

Saying foul words

Pulling me deeper into the void of darkness

Called sadness

Not letting me whisper his name

Without being angered

Portraying him as the bad guy

Making me feel guilty for mentioning it

Wishing I wasn't here

But with him

Counting down the days

Till I see him again.
