Chapter 1 - New School

1 - New School

Jill was walking to her new school. She was nervous because today was her first day. She was hoping that the students weren't going to be as mean as her last school where she was made fun of because she had braces and she wasn't as skinny as the others for these reasons she was not the fondest of school. As she was walking to her locker she saw three girls walking down the hallway wearing pink high heels with a new pair of Hollister jeans to finish the outfit they each wore a spaghetti strap shirt. As they walked by Jill one of the girls pushed her elbow into Jill so all her books would land on the ground. When a girl saw what happened she came to help Jill.

Hi, my name is Massie; do you need help with your books?

Sure Jill said

Yeah I saw what Catherine did her and her minions usually do that to anyone that doesn't look exactly like them. Massie said

I thought so that is what happened at my old school

Well, it looks like all your books are picked up

Do you want to sit by me and my friends at lunch Massie said

Yeah okay Jill said

Soon it was lunch time and everyone was talking about the day.
