1 - Edward Elric meets Roy Mustang

"Mom, mom, come see! It looks like a parade," cried out the young boy smiling and waving to her. Turning suddenly and running without looking he bumps hard into something and falls on his rear somewhat embarrassed. Looking up he sees a tall young man, very young thought the boy. "Whoa there little guy, where are you off to so quickly," said the young man bending down to pick up the little boy. "Well I was ... hey mister are you one of them?" asked the young boy with his golden eyes shining. "Why yes I am, aren't you cute, what's your name," asked the young man still kneeling at the boys level. Grinning from ear to ear, always loving the attention, "My name is Edward, Edward Elric. You smell really good." Said Edward shyly. Unable to contain himself he laughed saying, "Well that is a very nice compliment. Thank you!" "Oh you're welcome. Wow what is that really neat silver thing?" "Well it's a watch, see let me show you. All of the state alchemists have one," said the young man, opening the cover to show the boy. "Wow you are a state alchemist! Cool! What does that watch do?" "Well it tells time and also helps me with my alchemy." "Really! Wow my daddy is an alchemist too and so am I!" boasted the young boy. "You are, well then when are you going to join us state alchemists?" "I will someday real soon mister cause I want a really cool watch like that too! The young amber eyes bright and shining as he spoke. "Edward, are you bothering that nice young man?" said the lovely lady standing in the doorway of their home holding another small boy in her arms. Seeing the young boys face darken he replied for him, "No Ma'am not at all. I enjoy talking to such talented alchemists such as Edward." He then looked down at Edward and gave him a wink with that the young boy's eyes brightened once again for this man was now his hero. Smiling the young man ruffled the boy's soft blonde mane of hair and said, "Well Edward I can't wait for the day that you become a true state alchemist. I know we will be best friends. But now I must be on my way. You take care of yourself Edward." "You too mister state alchemist! Hey what is your name?" "My name is Roy, Roy Mustang" "Cool, well I gotta go, see you later" "See you later Edward!" "You Too Mustang, Wow, what a cool guy." "Edward? Come back Ed, its Time For Dinner" Ed starts walking back to the house when Roy Comes Back "Oh Ed," Roy said and came back to Ed "If you want to call me or vist me, here is my phone number, and here is where I live, Grand Central City." Roy said "Come vist me some time Ed, that s if you're mother will let you," Ed's mother laughs "It's okay, he can vist you anytime Mustang." "Hey mom?" "Yes dear?" "Can I go with him now?" "Sure Honey" "Alright!" Ed Cheered "Thanks mom you are the best!" "Alright Ed Go along now" Ed runs up to Mustang "Alright Ed, Let me carry you to central" "Bye mom See you later!" "Bye honey!
