1 - Naruto And I Meet

It was two years ago I met this wonderful boy ... and his name was Naruto Uzumaki. I met him at Konohagakure's Ninja Academy. Let me tell you; for me it was love at first sight!! Ha ha ha ha get it? OK never mind. So I was saying, I loved him but I wanted to know if he loved me. Sooo I wanted to get to know him. So I had asked him if he wanted to get some ramen at Ichiraku Ramen, which is a ramen place. He came and we talked on and on and on about becoming the greatest ninjas ever!!! I was super interested. After a couple of months we became the best of friends!! Were so close that everybody thought we were sister and brother!! Then I had found out that Naruto had a crush on this girl named Sakura Haruno. I was heart broken. But then something great happened!! Sakura hates Naruto!! I was super happy then. Sakura liked this really hot guy named Sasuke Uchiha. He was super hot!! But he basically hated everyone, so I didn't bother to even talk to him because he gives you a scary glare. It even scares the teachers!! I had found out that all of the other boys mostly loved me!! I was happy that at least some boys loved me. Then I found out Naruto loves me!!!!!!! I was so happy, that I floated all the way home!! A couple of months later I get invited to a slumber party at Sakura's!! There was this super adorable girl there and her name was Hinata Hyuuga. We played truth or dare. I asked Hinata who she liked. SHE SAID SHE LOOOOVED NARUTO!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! I got really mad and started to cry. All of the girls came over and hugged me..... except Hinata. All the girls kept on hugging me and Hinata just stood there staring at me. It was very creepy. A couple of months later I met this really and I mean really creepy guy named Gaara. And he hates everyone. And the creepiest thing of all is he loves to kill people..... just for fun!!!! And what is even creepier is that I think he likes me!!!! But I kind of LIKE him. I know I am weird but he is sort of cute. Sooo on to the next subject. I met this other boy. Choji Akimichi was his name. He always flirted with me until one day I socked him in the face. He thought it was funny!!!!!!!!!!!!!!!!!!!!!! I thought he was funny the way he looked!!!! A Couple of months later I confessed my love for Naruto. He kissed me!!!!!!!!!! I thought I was going to die!! The truth is I gained up my strength to kiss him back and so I did!! A little while later me and Naruto became boyfriend and girlfriend. We would always go on walks and hold each others hands. One day I saw Naruto and Sakura making out!!!! I fell down crying. Naruto didn't even care!!!! But Sakura saw me and asked me if I was OK. I said "GET AWAY FROM ME!!!!!! I NEVER WANT TO SEE YOU AND NARUTO EVER AGAIN!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!" A couple of years later I was in the woods still crying about Naruto when this guy named Orochimaru visited me. He said if I ever want to see Naruto again I would have to fight him. I went to the Hokage. I told him what Orochimaru had said. He said that Orochimaru was my father!!!!!!!!!!!!!! I was so shocked. I got so mad that he would come between me and my love. That day I was so nervous because I had to face my father. And there was Naruto, tied to a tree. He started crying and asking me to forgive him. Even I started crying. I thought that I was going to fail and he was going to die. And then Orochimaru started to talk. He said "Heh heh heh you think you can beat me?" And I started to get nervous. And then he said for us to get started. I thought that right here and right now I was going to die. We got started. I drew out my gigantic sword. He didn't even move. I thought to myself "Have hope, have faith in yourself." I said those words over and over again in my head. Well we got started. I threw my gigantic sword toward my father. He didn't even care and dodged it without breaking a sweat!! I was amazed!! But during the fight, I got stronger and more mean. He now had trouble with fighting with me and now he is huffing and puffing and I am nearly tired!! I said "It is the end of you right here and right now!!" He actually got scared. All of a sudden, I felt loads of energy coming into my body. And green energy wrings all around my body. I released massive energy and Orochimaru soon shriveled and died. Using up all

that chakra was hard on my body. I went and freed Naruto. He was sooo glad to see me!! I was sooo glad to see him alive!! A couple of months later Naruto and I are fifteen. We have matured a lot and are very trusting towards each other. We still talk to each other about how lucky we are because we survived the fight with Orochimaru. Well Naruto and I are very close to each other now!! I still have feelings towards Naruto but I think I should let him go. He belongs with someone else. One day Naruto came up to me and said "I hope you know this already but I love you." After those words Naruto never spoke to me until we were a little more grown up. One day Sakura came up to me and said that Sasuke and Naruto had a fight and that Naruto had died. For a moment the world went dark and storms had wrecked almost the whole entire village!! I knew that something was wrong. I had to go to heaven or hell and get Naruto in order to restore peace to Konohagakure Village. And in order to do that I have to... kill myself. I wasn't sure if I was ready to die. I wanted to be with Naruto but, I wanted to be with my friends to. After supper I went to the field I go to when I have problems that I need to solve. I sat on the ground and I prayed to god to help me get through life. I saw someone standing right in front of me and I was scared. God just said that it was a guardian angel to help me through the toughest stages when I am in doubt. I thanked god for helping me and I greeted my guardian angel. I was amazed at who it was!! It was Naruto. I was shocked sooo I did not speak. He came up to me and said "Don't be afraid anymore you will be

OK and never worry because I will be here to protect you." I started to cry. He came and took me into his arms and told me he will forgive me of everything I want to be forgiven for. All of a sudden the moon came out and only shone on us. We were meant for each other. Naruto asked god to show me around heaven. I didn't want to go to heaven. But Naruto did that face where it is almost impossible to say no. Sooo we went. When we got there a lot of girls came to Naruto and draped themselves all over him!!!!!! I was sooo mad!!!!!! Naruto told them that he is already taken. And he pointed at me. I felt hotness in my cheeks sooo I was probably blushing. All of the girls just glared at me. I thought they were going to attack me!!!! They were just about to attack when Naruto went in front of me and shielded me with his arms. I felt sooo safe. One girl who was named Tokika Yamaguco said "But Naruto-sama!!!! She is stealing you away from us!!!!" He said "She is my girlfriend after all." And then he started to kiss me!!! I was sooo embarrassed!!!!
