1 - Chika (Yugioh)

Basic:

Name: Chika Himura

B-day: Nov. 18

Blood Type: O

Favorite food: Pear

Unfavorite food: fish

Crush(es): used to like Dinosaur Ryuuzaki, but now likes Ryou Bakura and Honda Hiroto

Chika is a energetic teenager, who loves to hang out with her friends. She does sometimes become depressed suddenly, but usually snaps out of it in a couple of days. She doesn't like to talk about her old town with anyone, not even her closest friends. She can't decide if she likes Ryou or Honda more, so she hasn't told either of them about her feelings for them. Chika likes to duel for fun, and her favorite card is Injection Fairy Lily.

In depth:

Background:

Chika has a "normal" life with her mother and father. She lives in a fairly large apartment complex. Her father is often transferred to different cities, so Chika has to move a lot. Her current residence is Domino City. Chika rarely talks about her old town to her friends, because she thinks they'll be afraid of her after what her alter-ego did. Eventually, she does tell a few people.

Looks

Chika is of average height and weight (though she does eat a lot, so who knows how long that wil stay!) She has long blonde hair, which she keeps in a pony tail, tied with a bow. She has an extreamly large collection of bows, so she can match them to any outfit. She has blue eyes, and slightly pale skin. She gets sun-burned very easily.

Alter-ego

Chika's alter-ego (called "the other me" by Chika, or "dark Chika" by the few people who know about it) was probably born when she was younger. Because her father made her move so often, she had very few friends, and any friends she did make, she would never hear from after she moved. This caused her to be filled with sadness and anger. When Chika is very mad, her alter-ego takes over, and "solves" the problem by using violence. When Chika re-gains control, she can't remember what happened when her alter-ego took over.

Chika, in her old town, was assaulted by some guy. Her alter-ego took over, and managed to grab the knife he had, and stab the guy a few times (her alter-ego has awesome fighting skills, lol) When Chika gained control, she found she was holding a bloody knife in her bloody hand, and the man was bleeding in front of her.

Chika always tries to be cheerful, in fear that her alter-ego will take over. She usually has to fake happiness in tough situations, which tends to make her depressed from time to time.

Crushes

Before Chika moved to Domino, she had a big crush on Dinosaur Ryuuzaki. When she met Honda and Ryou, she completely lost interest in him. Because she is so shy to tell them, she pretends she still likes Dinosaur Ryuuzaki. Her crushes on Ryou and Honda are extremely obvious, but the two don't seem to notice.

Dueling

Chika is not the best duelist, but she can win a few games. She mostly likes to duel for fun. Her deck consists of cute, sexy, and pretty monsters. Her favorite card is Injection Fairy Lily, because she "thinks she looks cute" and she "wants that outfit!" (o_o)

Other info

Chika has a fear of performing, because when she gets shy or nervous, her voice gets high-pitched. Chika dislikes singing since somebody in her old school told her she sucked at singing (seriously, she doesn't suck, she's just not good)

Chika's favorite animal is a cat. She wants one, but her apartment doesn't allow pets.

Chika's favorite color is orange.

Chika owns 178 bows in the beginning of my story. Her collection increases during the fic.

2 - Chika (Naruto)

Basic

Name: Chika Himura
B-day: Nov. 18
Blood Type: O
Favorite food: Pear
Unfavorite food: clams
Crush(es): none

Chika is a shinobi from Kohona. She likes nature and animals, and dislikes slimy things. Her best friend is her cat, Mine, and is usually very easy to get along with. She is easygoing and prefers not to fight.

In Depth

Background:

Chika Himura lives with her mother and father (no siblings) in Kohona. Her family, like the Inuzuka clan, specializes in battling with animals. However, the Himura clan fights with felines (this can prove to be more difficult in training, as cats are quite stubborn)

Looks:

Chika has long, mustard-gold hair that is tied in a low pony-tail (Like Neji's, only with a bow) and blue eyes. She is a bit short for her age, and a tiny bit overweight. She almost always wears a bow in her hair. Her preferred outfit is a black tank top that ends half-way to her belly button, blue scarf/handkerchief thingy around her neck, tan and blue jacket (only slightly longer than her shirt) black gloves, black pants, black shoes, and a blue bow.

Personality:

Chika is a happy-go-lucky girl. She often will strike up a conversation with random people she sees on the street (this has gotten her into trouble numerous times) She almost always has food on her mind, and loves to bake things for her friends. Chika tries not to gossip, but she's naturally curious and can't help eavesdropping.

Random Facts:

Chika's favorite animal is a cat.

Whenever Chika sees anything slimy (like a worm) she totally freaks out, and often faints.

Chika has a horrible memory for big things, but can remember small (and usually unimportant) details extremely well.
