# 1 - Day One

Ring! Ring!

A woman with a light tan and dark brown hair started to punch the alarm clock.

"I hate Mondays." She said as she pulled herself out of bed and revealed a naked model body.

"Now," she said as she headed over to her dresser, "what to wear."

She chose a white tank top that had a black flame design around the edges of it, faded blue jeans, no socks and no shoes. This was her usual choice for a day off. Unfortunately she got a call, to come to work. She didn't hear it though because she was in the shower.

"Who would be calling this early? They'll leave a message if it is anything important." She thought as she massaged the shampoo into her dark brown hair.

When she got out of the shower, three hours later, she checked the answering machine, no message. She then looked at the caller ID and saw it was from LAPD, where she worked.

"What the hell?! I am supposed to have the day off!" She yelled as she ran to her room and grabbed her light blue police uniform and threw it on.

She then ran outside and hopped into her 2030 white Firebird with yellow trimmed wheels ( She managed to buy this after only one paycheck ).

It took her a little over an hour to get to work.

"The chief is going to be so pissed at me." She said as she entered into the LAPD parking lot.

"JESSICA! GET IN HERE NOW!" The chief yelled as the tan girl walked into the department.

"Yes sir." She replied.

"Sit down, I have something I need to tell you." The chief said as Jessica entered the office.

"You are aware that we got the results back for the position?" The chief asked looking out the window. Jessica shook her head 'no'.

"Well, I wanted to tell you this over the phone, but you got the job."

Jessica's eyes lit up at the news.

"Jessica, I am proud to say that, as of now, you are a body guard." The chief said, breaking his gaze from the window and looking at Jessica's light blue eyes.

"Thank you sir," Jessica replied, "is that all you wanted me for?"

"No, there's more. We just got a call from a person, a neko female, that was threatened, with a gun. We need you to, well, guard her." The chief explained as he took a seat on his desk.

"You want me to protect a neko?" Jessica asked.

"Yes, is there a problem?" The chief asked, not breaking his gaze.

"No, no sir." Jessica lied through her teeth.

"So you have no problem with this?" The chief asked once again.

"N-n-no." She lied, again.

"Then get out there." The chief said as he ushered her out of his office.

When Jessica made it out of the door she took two deep breaths. One was for the promotion that she has been wanting for years. The other deep breath that she took was for the fact that she always had a thing for cats, and she'd be living with her. Also did I mention that she was gay?

"So I am going to be meeting a Cassandra Wendell at Jewl Intersection." She told herself as she folded up a piece of paper that had the time on it that she needs to meet Cassandra.

Three minutes later, the place wasn't that far, Jessica pulled up to a restaurant called Arabic Magic. As Jessica went in a neko caught her eye. The neko was all white with green eyes and a body like hers,

she had on a black and red Arabian dance outfit that just covered her chest and crotch area. What she didn't know was that she also caught the neko's eye.

"Ma'am? Ma'am? Can I help you?" A young orange neko waitress asked.

"Huh? Oh, yes. I am looking for a Cassandra Wendell. I was told I could meet her here." Jessica explained.

The waitress just let out a laugh and turned around to face the all white neko that had the dancer's outfit on.

"Hey Cassy! Someone's here to see you." The waitress said.

If Jessica wasn't tan, you'd have seen her face turn red as the white neko stopped her dance and started to approach her. Just then the thought of living with this neko passed through Jessica's mind, she almost started drooling.

"Hello. Are you Cassandra Wendell?" Jessica asked.

"Just call me Cassy. Can I help you?" She replied.

"Did you report a gun threat to LAPD?" Jessica asked.

Cassy nodded yes.

"Okay then, my name is Jessica Green. I am your body guard."

The skin underneath Cassy's fur turned a faint red at the thought of living with Jessica passed through her head.

"Okay, can you wait here for five minutes? I need to go change." Cassy asked.

"Alright, no problem." Jessica replied as she sat down in a nearby chair.

Five minutes later Cassy reappeared, only this time she was wearing a partial see through shirt, a black bra, faded baggy jeans that revealed a black and white thong.

Each step Cassy took, the redder Jessica's face got.

"So where do we go?" Cassy asked.

"Depends," Jessica said as she stood up, "do you want to live with me? Or do you want me to live with you?"

"Can you live with me?" Cassy asked with a smile.

"Can we go by my house and pick up my things?" Jessica replied as she got up off of the chair.

"Sure." Cassy answered.

"Okay then. I parked out front." Jessica said as she held the door open for Cassy.

As Cassy walked out the door, her tail brushed up against Jessica's leg. That one moment took all the breath in Jessica's chest away.

It was a quiet ride to Jessica's house, mainly because Cassy was asleep in the back seat.

When they got there Jessica had to keep herself from letting Cassy sleep, no matter how peaceful she looked.

Just as Jessica touched Cassy's soft white fur, she stirred awake.

"Are we there yet?" The sleepy neko yawned.

"Yes, that's why I woke you." Jessica replied softly looking at the still drowsy neko.

"Can I stay in here?" Cassy asked, still half asleep.

"Sorry, but no." Jessica answered as she opened up the door to the back seat so Cassy could get out.

"This is my house." Jessica said as she shown Cassy a light brown log cabin .

"Nice house." Cassy said as she stepped in through the door way.

"Thanks, I inherited it from my grand father. It was a big mess when I got it." Jessica said she started to strip herself in her bedroom.

"Wow, he must have been rich to afford a place like this." Cassy said as she sat on a nearby recliner.

"Actually he won it in a bet." Jessica explained as she finished packing her suitcases

"Really?" Cassy said as she switched from a sitting position to a reclining position.

"Yes, really." Jessica replied as she put on a tight light blue t-shirt, a leather jacket, tight blue jeans that have a hole in the left leg, white socks and black shoes with a white lighting bolt going down the left side. Cassy was fast asleep on the recliner by the time Jessica was finished packing her suitcases. This time Jessica did not dare wake the peaceful looking neko, instead she took off her jacket and covered the sleeping neko. Jessica then went into the kitchen to prepare a lunch for them both.

About ten minutes after Jessica started cooking, Cassy appeared in the doorway wearing the leather jacket that Jessica had covered her with.

"Hm, what smells good?" Cassy asked as she walked into the kitchen.

"Lunch." Jessica answered.

"What is it?" Cassy replied.

"Chicken." Jessica answered.

"Oh, my favorite." Cassy replied, her tail, again, rubbing up against Jessica's leg, " let me know when it is done."

"Okay, I will let you know." Jessica replied as Cassy walked out the door.

"I wonder if she likes me." Jessica thought as she rubbed the same leg that Cassy's tail rubbed not long ago.

Meanwhile in the living room....

"I wonder if she likes me." Cassy said as she touched the sleeve of the leather jacket and sat down in the light brown recliner.

During their lunch they decided to get to know each other. Cassy was abandoned at the hospital she was born at , then adopted by a human family that lost their natural child in birth ( it was a girl ), thought she was a human until she was four years old and she always wanted to be a scientist. Jessica was born at the same hospital as Cassy and that she wanted to be a singer.

After lunch they went back into the 2030 Firebird, this time heading to Cassy's house. The only thing really different about this time was that Cassy was in the front passenger seat instead of the back were she was before.

An hour after they left Jessica's house they came across a baby blue, one story house that had a porch that went all the way around the left side of the house.

"This is your place?" Jessica asked as she got out of the driver's seat.

"Yeah, this is it." Cassy said as she walked up to the front door and started to feel her pockets.

"Oh, no. Were are they?!" She screamed as she tore into her pockets.

"Looking for these?" Jessica said, as she walked up to Cassy with a pair of keys in her hand.

"Must have fallen out of my pocket when I was asleep." Cassy said with a little laugh.

"Here." Jessica said as she held the keys out in an open palm.

For a second it looked like Jessica and Cassy were holding hands.

When they got inside there was another neko there. A male neko.

"Great, she's straight." Jessica thought.

"JAK! What are you doing here?" Cassy yelled to the black neko.

"Can't a guy come over and hang out with his sister's house?"

"Depends, what for?"

"Well-" Jak started.

"No, get out." She immediately said to her brother.

He was about half way out the door before she asked for her extra key back.

"What was that all about?" Jessica asked as Jak closed the door behind him.

"That neko, he is, what you'd call, the 'black sheep' of the family. He has a big problem with drinking and an even bigger problem of gambling. He actually lost his house because there was no possible way he could pay the person back the money he owed, so I let him stay here from time to time with me."

Cassy stated.

"Seems pretty straight forward. Where should I put this?" Jessica asked setting down her suitcases on a nearby couch.

"There is an empty room down the hall to your left, by the way, is there anything you want to eat?" Cassy asked as she went into the kitchen.

"What do you have?" Jessica asked as she started to unpack her belongings into her new room.

"Take out." Cassy replied as she opened the door to the refrigerator.

"What kind?" Jessica asked, leaving her room and exploring her new home.

"Whew, old apparently." Cassy replied as she opened the nearest take out box.

"Wanna order out then?" Jessica asked standing in the kitchen doorway looking at Cassy.

"Anything in mind?" Cassy asked as she picked up her phone.

"Just as long as it isn't raw." Jessica replied with a smile.

"Very funny. Does a large pizza sound good?" Cassy replied as she dialed the number for Papa John's.

"Sure, sounds good to me." Jessica replied not breaking her gaze.

"What? Is there something on me?" Cassy asked as she wiped her face with a nearby towel.

"Hm? OH, uh, no. I was just thinking about something."

"Well could you please stop? You're freaking me out."

"Oh, sorry." Jessica said dropping her gaze to the floor, but not off of Cassy.

Cassy placed the order for the pizza.

"So what time will it be here?" Jessica asked, bringing her gaze back up to Cassy's green neko eyes.

"Under thirty minutes or less or the next one is free." Cassy said returning the gaze as she hung up the phone.

Jessica let out a small laugh.

"So, what are we going to do for thirty minutes? Or less?" Jessica asked.

As soon as the words left her mouth, only one image came into both of their minds. They both thought of being on the sofa, making out.

Cassy's skin and Jessica's face turned red at this image.

They both then thought it wouldn't hurt to ask if the other person was gay or not. The worst answer they could give was no. Just then Jessica blurted out the question.

Cassy stood there in shock, Jessica's face was beat red.

"I'm sorry, I shouldn't have asked." Jessica said as she quickly dove into the living room.

Cassy stood there, still in shock, and touched the jacket again.

"She does." She quietly said as she sat the jacket down and went into the living room to find the blue eyed woman crying.

"What's wrong?" Cassy asked Jessica.

"I just told you I am gay." Jessica told the neko that was leaning over her shoulder.

"So?" Cassy asked as she jumped over the sofa and sat down right beside Jessica.

"So? So I could lose my job now." The human explained.

"How could being gay make you lose your job?" Cassy asked as she scooted closer to Jessica.

"They don't like to have gay people on the police force." Jessica explained.

"I know how you feel, it's the same way at my job too." Cassy stated getting closer to Jessica.

"You mean that you-" Jessica couldn't finish the question because she already got the answer.

Cassy's answer was not with words, but a kiss on the lips. This kiss that they shared seemed to last only ten seconds. In truth it lasted three minutes. In fact the only reason it stopped was because somebody rang the doorbell and Cassy broke away to answer it.

"To answer your question, yes, I am gay." Cassy said as she got up to go answer the door.

"Uh that'll be, like, five fifty." The pizza guy said as Cassy opened up the door.

"Here, keep the change." Cassy replied as she took the pizza and handed him six dollars. Cassy then closed the door and walked over to where Jessica was sitting and put the pizza on a make-shift table. As they ate the pizza they talked more about each other, nothing real significant so I won't say what they were talking about. When they finished the pizza they went to bed, separate beds mind you.

Two hours later.....

Cassy, coming out of her shower wearing nothing but a black towel, bumped into Jessica.

"Oh, sorry." Cassy said.

"No problem." Jessica replied.

"Well, good night then Jessica." Cassy replied as she turned away.

"Call me Jess." Jessica said.

"Okay then. Good night, Jess." She replied in a soothing voice, her tail raising up the bottom of her towel.

Jessica turned red at the site of Cassy's revealed soft white neko fur.

Thirty minutes later, after Jessica's two hour shower.

Jessica was getting into bed, she set her alarm clock, then she closed her eyes, then she did something nobody thought she ever would, she praised the day, she praised Monday.

"Wha? Huh? Oh, yeah." Jess said as she started to wake up, remembering the day before.<br>Just then
Jess heard a knock at the door to the room she was staying in.<br>"Come in."<br>Cassy then opened
the door far enough to squeeze her head in.<br>"Why don't you come all the way in Cassy?"<br>"I'm
naked."<br>Jess' face went bright red at the thought of Cassy's naked body.<br>"Also I just wanted to
know what you wanted for breakfast."<br>I think I'll just have leftovers." Jess
replied.<br>"Okay."<br>With that being said, Cassy pulled her head back and closed the door.<br>As
soon as the door shut, Jess threw off the sheets to reveal her naked, super model body.<br>"Now, what

Jess replied, her face turning a faint red color.<br>Breakfast went by quietly. Jess had some of the pizza
from last night and Cassy had a bowl of cereal and milk, but mainly milk. Just then Cassy received a call

brother.<br>"What did you do now Jak?" Cassy asked.<br>There was a small moment of silence.<br>"Let me guess, you need a place to stay again?" Just then a figure wearing a dark brown trench coat that went down to his ankles, jeans that had a hole in both legs that revealed black fur, and, to top it off, this neko had a white tee shirt on and a old fashioned cowboy hat.<br>"Is that him?" Jess asked as the figure approached the vehicle.<br>"Yeah that is him." Cassy answered as the figure opened the door to the 2030 Linen.<br>"Jak, you remeber Jessica?" Cassy asked the black neko that got in.<br>"Yeah, I met you yesterday. Didn't I?" Jak asked as he took off his cowboy hat.<br>"Yeah, I believe so."<br>"Well, allow me to properly introduce myself. Hello, my name is Jak Wendell."<br>"Hey Jak, my name is Jessica."<br>"Nice to meet you Jessica."<br>The drive home was in almost complete silence.<br>"Same room as usual?" Jak asked as the Linen pulled up the drive way.<br>"I'll answer that question later, I have to talk to Jessica first about something." Cassy said as the car came to a stop.<br>"Okay, let me know what you decide." Jak said as he hopped out of the vehicle.<br>Just then Cassy asked Jess a question that she couldn't believe.<br>"Would you mind if we slept together?"<br>"Uh,um, uh. N-n-no. I d-don't m-mind."<br>"Okay then. Get your suitcase and put it in my room." Cassy said with a smile as she got out of the Linen.<br>"What the hell just happened? I mean I just met Cassy yesterday and now we are going to be sleeping together," Jess told herself told herself as she got out of the passenger's seat,"and I have no problem with that."<br>When Jess finally got into the house, she heard Cassy tell Jak were he was going to sleep.<br>Jak then saw Jess walk in.<br>Without a moments hesitation, Jak took Jess' shoulder and walked her over to a corner of the house.<br>"You do know that Cassy is gay right? And that she has a special thing for humans?"<br>"Jak," Jess said moving his hand off of her shoulder," I already knew that. I also have no problem with that."<br>"What?! Are you gay?"<br>"Yeah , to tell the truth, I am. Also I have a thing for nekos."<br>"Okay, so I guess everything that I just said was a waiste of our time?"<br>"Yeah."<br>"So what do you guys want to do for lunch?" Cassy asked.<br>"I'm not really hungry."Jak replied<br>"Me either." Jess replied.<br>"Neither am I actually. Want to go see a movie then?"<br>"What about Serenade 3?"<br>"Didn't we already see that Jak?" Cassy asked.<br>"Yeah, I think I already saw that one too." Jess said.<br>"Good, because then you will pay more attention to each other instead of the movie." Jak said as he sat on the nearby couch.<br>"that seems like a good idea. Doesn't it Jess?"<br>Just then Jess felt the soft fur from Cassy's tail wrap around her waist.<br>Jess just blushed, again, and nodded her head in agreement.

Cassy kissed Jess, and with a smile said, “ I’ll help.”

Ten minutes later....

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“That will give us a hour to get there.” Jess said as she finished putting the last of her things into Cassy's room.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Not enough time?” Cassy said as she came up behind Jess and wrapped her arms around Jess' neck and her tail around her waist.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“No, more than enough.” Jess replied as she placed her hand on the neko's arm.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Cassy just smiled and started to plant kisses down Jessica's neck.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Jess let out a small gasp and let go of Cassy's arm as she neared the nape of her neck.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Cassy then pulled her arms back and then ran her hands down Jess' back as she continued to kiss her neck.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"No, not yet." Jess whispered softly as she placed her hand on the neko's head.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"Fine, if you want to wait, then I will too." Cassy replied as she placed one more kiss on Jessica's neck.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

"Thank you Cassy."  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

Jak was right about the movie, how Jess and Cassy would pay more attention to each other than the actual movie. Only thing is that they also pulled in the attention of the people around them, including Jak ( they got Jak's because, even though he knew his sister was gay, he never saw her make out with a human female with his own eyes. )  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

One hour later....  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

"Man, you guys got everyone's attention," Jak said as he walked in between the two lovers, " even mine."  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

"So?" Cassy replied.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“So? So nothing. Except that the guy that was sitting next to you Cassy thought that you two were the movie.” Jak replied.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Jess and Cassy let out a small laugh.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

The ride home was in complete silence, except for the radio that was reporting the movie that they should have seen. It was ten o' clock before they got home, that was when they heard Jak's stomach growling.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Hungry?” Jess asked jokingly as they got to the door.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Just a little.” Jak replied with a smile and a laugh.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Well, we should have some leftover pizza from yesterday still.” Cassy said as she opened the door.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Just as long as it doesn't have mold on it, I'll eat it.” Jak said as he walked in.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Cassy and Jess just laughed at his comment as they sat in the sofa.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Want any?” Jak asked as he stuck his head out of the kitchen.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I'll have a piece.” Cassy answered.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Me too.” Jess followed.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Alright then.” Jak said as he put four pieces into the microwave.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Thirty seconds didn't even go by before Jess and Cassy were making out on the sofa. Jak had to clear his throat three times before they realized he was there.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“What?” Cassy asked leaning her head back to meet her brother's gaze.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Can you eat first?” Jak said as he placed three plates on the make shift table in front of them.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
Ten minutes later....  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
“Ouch!” Jess said as she dropped her piece onto her plate, “ That's hot.”  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
“Hope so. Otherwise your microwave is broken.” Jak replied with a laugh as he started his second piece.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
“Ha ha, very funny.” Jess replied as she bit into the pizza.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
Cassy laughed at the small fight in between her lover and her brother.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
The rest of the dinner was in silence.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
“So what are we going to do tommorrow?” Jak asked as he gathered the dishes.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
“We'll find out then.” Cassy replied.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
“I'm going to go ahead and take my shower.” Jess said as she left to the bathroom.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
“Goodnight Jessica.” Jak said from inside the kitchen.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

After one hour in the shower, Jess didn't know whether or not to wear pajamas or no.

"I'll just ask her." She said as she tied on a white bath robe and headed down to Cassy's room.

When she got into the room she saw Cassy sitting on the bed in a green bath robe.

"What are you still doing up?" Jess asked Cassy as she closed the door to the room.

"I wanted to ask you something."

"What?"

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Is it okay if I sleep the way that I usually do?”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Which is?” Jess asked, trying to not make it sound obvious that she knew.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Nude.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I have no problem with that, if you'll let me sleep that same way.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Cassy let out a small laugh.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"I have no problem with that." She replied as she dropped the green robe and revealed her white fur and two soft pink nipples on her breast.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Jess gazed at Cassy's naked body while she undone her robe.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Cassy just gazed at the figure in front of her and almost started to drool.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

When they both snapped back into reality they found themselves in bed with each other. Cassy shot a glance at her clock and saw that one minute had passed.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"Good night Cassy." Jess said as she looked into her eyes.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

They kissed.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Good night Jess.” Cassy said when their lips parted.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Cassy then turned onto her opposite side, away from Jess. Jess did the same.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

About a minute later Jess felt two arms wrap around her stomach and a tail wrap around her waist.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I love you Cassy.” Jess said as she laid her arm over Cassy's.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
"I love you too Jess." Cassy said as she pulled herself closer to her lover and placed a kiss on the back of her neck.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
Jess let out a small gasp as she felt Cassy's chest press against her back and her grip tighten around her waist and stomach.  
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">  
Jess let out a small sigh and then closed her eyes for the rest of the night.

### 3 - DAY 3

"Good Morning." Cassy said as she saw Jess open her eyes to see her sitting on the edge of the bed. "Good Morning." Jess replied, looking at Cassy, who was wearing a light blue tank top and dark blue jeans. "Sleep well?" Cassy asked, looking into Jess' eyes. "It was with you wasn't it?" Jess replied. Cassy let a small laugh escape her neko mouth as she ran her neko fingers through Jess' messy brown hair. "So what's for breakfast?" Jess asked as she started to pick herself up and out of bed. "Whatever you want." Cassy replied with a smile as she too got up out of bed. "Alright then. I'll be ready soon." Jess said. "Okay, don't be long though." Cassy replied. "Alright, I'll hurry." Then they kissed softly. Then Cassy walked out of the room. As Cassy walked out of the room Jess got out a bright pink tee shirt and light blue jeans with a hole in the lower right leg area and white tennis shoes. It took her thirty minutes to get ready though. So, thirty minutes later (this is going from before she got dressed by the way) Jess came out of the bed room and saw Jak sitting on the couch wearing a torn lime green shirt and dark, almost black, blue jeans. "Sleep well?" Jak asked, not moving from his seat. "Great." Jess replied with a smile. "You two did it didn't you?" Jak asked, switching his gaze from the television in front of him to Jess. "No." Jess replied as she headed into the kitchen to fix herself a breakfast. Jak said nothing as he just sat there and shook his head in disbelief. "So, what are you going to fix?" Cassy asked as she drank a glass of milk. Jess then found two eggs in the refrigerator door. One hour later... "I don't have to go to work today." Cassy said as she sat her fourth glass of milk on the counter. "But it says that you have to on the calendar." Jess said as she motioned to the calendar near the entrance of the kitchen. "Last minute change. They called two hours ago and said that I had the day off." Cassy replied with a smile on her face. "Jessica, Can I talk to you for a sec?" Jak asked standing in the kitchen's door way. "Sure." She replied. "Follow me." Jess then followed Jak outside onto the porch of the house. "Do you really wanna know why she is able to stay home today?" Jak asked as Jess closed the door. "I thought Cassy said that they just gave her some time off." "No, they didn't." Jess had a confused look on her face. "They called two hours ago and-" Jak started. "And what?" Jess interrupted. "And they fired her." "WHAT?! Why?" "They found out that she was gay. And to top off firing her, they blacklisted her name." "She'll never be able to get a job again," Jess said, "will she?" "No, and don't tell her that I told you this. Alright?" "Alright." "Also, to make up for this I am going to change my name and start applying for a few jobs." Jak said as he started back into the house. "What kind?" Jess asked, grabbing Jak's arm. "Anything." Jess then remembered that the police office should be looking for another officer since she got the promotion. "I think I could tell you were to get a job, but your name will have to be changed legally, and permanently." "I kinda figured that, what is the job?" "The police office, they should be in need of another officer since I got the promotion to be a body guard." "Really?" Only one thing I can say to that." Jak said with a smile on his neko face. "What?" "Were do I apply?" Jess let a small laugh creep out of her mouth. Two minutes later... "Go to this address." Jess said as she handed Jak a folded piece of paper, "and tell him that Sara Jane sent you." "Sara Jane? Why not Jessica Green?" "You'll find out there." "Okay, if you say so, and by the looks of this address I will probably be gone for a while. So don't wait up for me." Jak said as he headed out of the door. "Like we ever do." Jess replied as she closed the door behind Jak. Just as Jess closed the door, Cassy came into the living room. "Where is Jak going?" Cassy asked putting her tail around Jess' waist. "Who knows?" Jess lied. "How long will he be gone?" "Late." "So we will be alone all day?" Cassy asked, facing Jess. "Looks like it." Jess replied with a smile as she turned around to meet Cassy's gaze. Their lips met once more, but this time with more passion than before. Also this time, Cassy's neko hands started to lift Jess' shirt and she didn't stop

her. Unfortunately, today's story doesn't involve Cassy and Jess. It's about Jak getting a job. Jak heard a soft moan come from the house as he got into the 2030 Linen. "I don't even want to know." He said to himself as he backed out of the drive way. About twenty minutes later, Jak came up to a old, run down looking apartment. Jak looked at the paper once more. "No way is this right." Jak said as he got out of the vehicle. As Jak approached the door of the apartment, he heard someone say hello. He looked over his shoulder quickly, but saw nobody. "Weird." As he got up to the door and was about to knock, it swung open and revealed a middle aged, gray haired, golden eyed human. "Who sent you?" the man asked. "Sara Jane." Jak replied, remembering what Jessica had told him. "I remember her. She was my first customer." The man said as he moved over to the side to let Jak in. "What did you change her name into?" "Jessica Green." "Why did she ask you to change her name?" "Her real name was blacklisted so she asked me to officially change her name so she could start supporting herself again." Jak just stood there in silence. "Anyway, my name is Alex Jones. How may I help you?" "My sister's name was blacklisted, I need you to change mine so I can get a job." "Any certain name in mind?" Alex asked as he headed over to a gigantic computer that took up a whole wall. "Jak Colly." "Okay, what is your original name?" The man asked as he started typing. "Jak Wendell." "Okay, so you just want your last name changed?" Alex said as he kept on typing. "Yeah. How much will this cost?" "For a friend of Sara? Nothing." "Cool." Jak said, sitting on a nearby couch. "Now please give me all forms of identification that you have." Jak reached into his wallet and pulled out his social security number and his driver's license. As soon as they touched Alex's hand, they were in a shredder. "This will take some time, there are some drinks in the kitchen. Help yourself." Alex said as he stopped typing and stood up. Eight hours, and ten drinks, later... "Is it done yet?" Jak asked Alex. "Just about." Alex replied sitting back down at the computer. Then a loud crash noise echoed through the halls. "Now it is." Alex said, pulling two small objects from the computer. "What are those?" "Here is your new license and social security card. You are now, officially, Jak Colly." "Didn't think it was that simple." "It isn't. Since you are now a different neko, you can no longer answer to your old name, and you also have to erase your past, including this moment." "So I have to erase everything?" "Everything. Otherwise the illusion would not work." "Everything." "Yes, everything." Five minutes later as Jak was climbing into the car. "He says everything. But I ain't gonna do that." Forty minutes later Jak was pulling up to the police office that Jessica worked at. "How may I help you?" A young beautiful orange fur and light blue eyed female neko asked as she saw Jak walk in. "Yeah, I heard that you would have a job opening." "How did you know?" "Know what?" Jak asked, playing stupid. "We just got a position opening up." "Really? For what?" "An officer just became a body guard, so we need-" The young female neko started. "An officer?" "Yes." "Can I take it?" "Just give me a name and a number and I will see if I can get you a interview with the chief." "Okay, got a piece of paper and a pen?" The young neko handed him two pieces of paper and a pen. "So I guess you are Jamie Star and this is your number." The neko just nodded. Jak then smiled and let out a small laugh. "Well here is my name and number and my name and number. Call me even if I don't get a interview." Jak said with a smile as he handed back a piece of paper that was torn in half. The young neko giggled as she took the paper from his hand. "I'll see you around." Jak said as he headed out of the police office. "Hopefully." Jamie replied as Jak walked out the door. It was midnight when Jak got home. "Hello? Anybody awake?" Jak asked as he opened the door and turned on the light. As soon as the light came on, Jak saw his sister and Jess on the couch, asleep, naked. Without a second thought, Jak went into his sister's room and pulled off the comforter. He then went back into the living room where the lover's were asleep and placed the comforter on top of them. "Good night pipsqueek." He said softly to his sister. Jak didn't bother eating dinner, infact, he was so tired he just went straight to bed and fell asleep before he was in it.
