Chapter 1 - Love	2
Chapter 3 - Change	3
Chapter 4 - This Feeling	4
Chapter 5 - Future	5
Chapter 6 - Its Through	6
Chapter 7 - Friends	7

1 - Love

Love
Love is a Mystery
Love is a Lie
I would rather Die
then not be with you
but when I seen you for the very first time
you made my legs feel like Jelly
but the feeling was the best
your better then the rest
this is to you Ace
if only you could see my face
You would see how much heart and soul into this poem
I may not be much of a poet
but you are even if you didn't know it

3 - Change

Change

I dont want no change

I dont need no change

I want to keep it how it is

I want to keep it out of Range

Im tired of all this Change

Its like Mange

That keeps spreading

I hate Change

I am Dreading

of what will happen next

I dont want no change

But I hate to admit

That sometimes change is Good

4 - This Feeling

This Feeling

This feeling is strong

Ain't no other feeling like it

This feeling feels Wrong

But I know its right

This feeling is strange

I think about it every night

and I hope you never change

I see a Bright light

It gets closer every day

I wish it would go away

But when Im with you

The light is gone

and for once I dont feel Blue

I just wanted to let you know

That this feeling I feel inside

This feeling is Because of you

5 - Future

Future

The Future is new

The Future is a Mystery

Its different like the Past

It comes so fast

Like the speed of light

The goes by so quick

That it leaves you thinking

What will happen Next

So stay Strong

Create your on future

Dont let the Future Create you

6 - Its Through

Its Through

Roses are Red

Violets are Blue

But when im with you

My world is Black and White

All we do is Fight

I cant stand being with you another second

So go away

Its through

Between me and you

7 - Friends

Friends

We are Friends

The best of Friends

We can make it through anything

We got the moves

We got the Grooves

To make it to the top

Together Forever!
