# 1 - The Poem

A Dedication to the One Winged Angel.....The Dark Savior.

Arisen from your pain and hate,  
Consumed by darkness at a faster rate,  
Corrupted in mind, and in heart  
Giving his new world a horrific start  
Awaken your destructive new behavior  
And bowe down before your savior  
Your creator, and your destruction  
Let yourself give into his corruption  
Set aside dark and holy  
And achieve goddom fully  
Within gaze of all in your waining sanity  
Destroy all bonds with your humanity  
For all deaths you gain more strength  
Let yourself find it's full length  
Become the god in which you are  
  
....Destroy them all with one falling star.
