# 1 - I Wonderde Lonley As A Cloud

I Wondered lonely As A Cloud

I wondered lonley as a cloud,  
Because I'm unwanted by that crowd.  
I'm alone in the dark,  
Nothing to do, nothing to mark.

I am outcasted everyday,  
No one will ever let me stay.  
I'm filled with darkness and hate,  
With words in my head, that I don't wanna restate.

I'm name-called by everyone,  
They just do it for laughs and fun.  
I am invisable in a dash,  
I watch the people ingnoring me as they pass.

I am judged by the way I'm dressed,  
It makes me so depressed.  
I am so betrayed,  
That happiness never stayed.

I am always in the gloom,  
Sitting alone in my dark room.  
I live in the shadows, where no one notices me.  
This is how it will always be.

I am filled with hatred and sorrow,  
I'll be like this to day and tomorrow.  
My loneliness is going to stay,  
it's like that every day,

I am filled with sorrow and pain,  
Darkness and loneliness is all I gain.  
No matter where I go,  
Darkness and loeliness shall follow
