Except this one who you find out is cheating on you and stealing your cars and you get so depressed so you kill your self. And then in the future these aliens will bring you back to life and take you back to there home planet and use you for breeding. Then after 3 days they ll kill you and do the exact same thing again in 3 years.

Link- &hmm& that doesn t sound that bad.

Dagger- did I mention the aliens are amys? I m pretty sure I did.

The godfather- lenny you and the boys (and girls! The can rob stuff too!) get the heavy stuff!

Lenny and the boys (and girls ages 7-9 results may vary) run off with a safe and a building blows up and they all get away in a old car with hillbilly music plays as they drive over the hills.

Link- (thinking: and she ll have fun,fun,fun till her daddy takes the T bird awwaayy *sing it * my god I need that operation now!!)

Leigh- (thinking: words like violence, Break the s Come crashing in
In to my little world Painful to me Pierce right through me Can t you understand oh, my little girl *sing it *)

Zea- (thinking: I think leigh is head singing again. I know cause she mouths the words. Wonder what s she s sing. Sometimes I wish I could read minds, that would be awesome!)

Turbo- (thinking: you know what I really want a peter grimm hat before I leave this earth. I don t mean die. I mean when I leave and blow up earth. I hope no one finds my dairy and reads it! Man, that would be bad. I also hope no one notices that I m not wearing any underwear!)

Leigh- (thinking: all I wanted all I needed is here in my arms words are very unnecessary the can only do harm *singing *)

Link- (thinking: oh thank god it looks like turbo s going to say something!!)

Zea- (thinking: yeah I found turbo s diary once. He talked about how he hates us and is going to destroy the world!! I know!! He has a diary! Hehe he s such a girl)

Rick- 123,856,958,457,524,854,128

Turbo- O.o what?
