1 - My Experience

Journal-by Yami Mutuo

My Experience 1 :October 13,2006-12:14 a.m.

I couldn't sleep tonight cause I was still thinking about the time traveling during our stay in the Shadow Realms.And also the fact that I keep

haing dreams about me and Annkh fighting together in some war or whatever.So I woke up in the worst time to wake up:12:00 midnight!

Before I went back to bed,Shadi came and was about to tell me something about me and Kate's past.I can't remember what he said about

the war but after that he's gone.So now,I think I'll continue my slumber.Goodnight!

Rest

asure,

Yami.

My Expirience 2 :October 14,2006-6:00 p.m.

When I came downstairs to eat breakfast with Yugi and Grandpa Mutuo in 7:00,I was still thinking about my dream.What did it meant?Why

did I have it?And how in the world did Dark Magician know so much about me and Kate,Anyway,Today is a Saturday so I went to Els' house

to ask if she wanted to go out.But Mrs.Maner said she went to visit a 'friend' but didn't say who he or she was.So I went to the second

house I would think of:Kate's house.As I walked around the sidewalk,A guy with brown hair and violet eyes passed me and somehow

looked familiar.Before he went on,he asked me 'Excuse me.But do you know where the Lacambra family lives?'.Since I figure he might be a

friend of theirs,I told him to follow me to Kate's house.When we came to the front lawn,a adult or teen dalmatian came running to us.It must

be Kate's,I thought.But when I was about to pet him,he started growling!I don't know why but then it ran to the man I was going with.It

howled and growled and yeped.Then Kate came out of the door and tried to comfort her dog."Strife,what's wrong?come down boy.It's

okay."was Kate's words to the dog."So,his name is Strife.Cool name!Anyway,Kate.Have you seen Els?"as I asked her this the man with me

called Kate's name."Kate,thank Ra I found you!How have you been?"were what he said."Okay,I guess,Mark.How about you?I haven't seen

you since my first trip to Egypt!"Before Kate continued,Strife started barking again.Kate looked at me and greeted,"Oh Hi,Yami.I guess

you've already met Mark and Strife.""Okay...So Mark was the guy who gave you the Millennium Compass.How did you guys meet each

other back in Egypt?"was my answer.She answered back,"We met when I was looking for some sulvinires in Cairo for me to send to some

of my friends back at the Philippines,when I suddenly bump into Mark by accident.I asked him why he was running and said that a group of

theives wanted the cool necklace he was holding.Before I came up with something,Mom and Dad came in with the jeep.I figured 'why run

when we could drive?'so we rode on the jeep before the thieves caught up with us.Mark thanked us and introduced himself.Hours later,he

and I hanged-out in the mall but was soon time for the both of us to get home.But before I left him,he gave me the cool necklace for a

remembrance of our friendship.he also told me what it's called about it's origin.Mark also states that he was given it by an

archeologist.And that's how we became friends,Oh and Yes I've seen Els.She was inside my house"."Thank God!"was my reply but she

continued,"But Els went home before you guys came.Sorry Yami.".Since Els went home,I said good-bye to Kate,Mark and Strife and went

home.I'll continue this tomorrow.

Signing out,

Yami.

2 - Kate's Secrets 1

Yami's Journal-by Yami Mutuo

Kate's Secrets 1-October 16,2006-6:49 p.m.

It's been two days since Mark came along and so did Strife(a quick reminder, Strife is Kate's dog).And I'm still wondering why the dog was

barking so loudly at Mark.It's just too weird,right?During the last two days,I keep going to Els' house to ask her out but she's been talking to

Kate for quiet awhile.And I decided that as a relative,it might be better if I talk to Kate myself.This could help me figure out what's up with

Kate.And that's exactly what I did.But talking to her led me not even half way to the answer cause we were starting to talk about how

nervous she was about Junior High.When I was about to go back to Yugi's place,Strife was running to me.He acted like a little puppy when I

was petting him.But after I let go,he was pulling the sleeve of my coat like he wanted to tell me something.Then he touched my Millenniium

Puzzle with his paw,but what was more amazing was that instead of barking he was talking!He said things like a real human.My mouth was

wide open in a big OBut as I was about to say something,we just suddenly enter the Shadow Realms,again!"Uhhhhhrhrhrrr!!!This is so

annoying!I can't believe I'm back in this stupid Realm!Could this day get any worse?"I shouted out as my words echoed through out the

Realms.When I focused on Strife,I was trying to find some explanation on why he can talk.Then I asked him,"Uuhhh,Strife boy.How in the

seven hells can you possibly talk!?!".His reply was this,"Well,I can't tell you that until my master tells you why she keeps talking to your

girlfriend. But I can tell you this. Her friend Mark may not be as human as he seems. The truth is he's not alive!". My reply was, "What do you

mean? He looks like a young boy in his youth. And besides, he's only 19 years old (I forgot about his age)". "But for your info, dogs can

recognize the dead like humans can tell the difference between friends and foes. And your so called 'friend' is really a spirit. And have you

noticed anything familiar about Mark? Master doesn't know that because she has a secret crush on him and doesn't hang-out with him as

much as told me she did back in Egypt. I wasn't there with her cause I was with her grandpa in the U.S.A.. Along with her aunt and grandma

and brother, Kent". As I was about to say something when a thought came to me. "Well, for one thing he did look like.... *thinking hard like a

quiz*. The Dark magician! So that's what he meant by meeting us again. Wait. Hold it! Kate has a crush on Mark? 0_0". Then he said, "Yeah.

Didn't you noticed her blushing at the site of her friend? And if you're asking again, talk to my master if you wanna know more". Then like

before, we were out of the Shadow Realms like magic. It seems close to night so I went to the house for a quick memo. I knocked the door

and who do you guess answered it: her mom, Mrs. L (her last name seems funny so I'd call her mom and dad L.). When I asked her if I can talk

to Kate, she said, "Sorry, deary. She's asleep since she was having a long activity since the rest of the afternoon." So then I said Thank you

then Goodbye. When I came home to Yugi's home for dinner, I told him to come with me tomorrow to meet a new 'friend' (you know, Kate).

I decided that I'll talk to her first thing tomorrow afternoon.

you,

Sincerely to

Yami
