*This is a poem I wrote earlier this year, about me and Michelle. I was thinking of the distance between us, hence the title.*

# 1 - Untitled

The seas never stop their rhyme  
Neither do the sands of time  
The sky will always be blue  
A long way away, just like you

I long for you, the love of my life  
The one who takes away my pain  
When no matter what's happened to me  
You make me feel alive again

I may be here, cold and alone  
You may be there, wanting me  
But my heart is yours, full of my love  
And one day, we shall be free.....
