~~~~~  
*(instrumental intro)*

[Scene opens with a shot of a starry sky. Shot pans slowly across for a few seconds, then it blurs to a scene of Ash and the gang in their sleeping bags.]

*Late at night, when all the world is sleeping  
I stay up and think of you  
And I wish on a star  
That somewhere you are  
Thinking of me, too*

[All are asleep except Misty. She's lying on her back, gazing at the stars. Her expression is sad. She turns her head to face something to the side.]

*'Cause I'm dreaming of you tonight  
'Til tomorrow, I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Than here in my room, dreaming about you and me*

[We see she is looking at Ash, who is sound asleep. Camera zooms in on him. Scene blurs back to Misty. She sighs, and a single tear rolls down her face. She closes her eyes and tries to fall asleep.]

*Wonder if you ever see me, and I  
Wonder if you know I'm there  
If you looked in my eyes  
Would you see what's inside?  
Would you even care?*

[Switch to scene of Ash and the gang walking through the woods. Ash, who is looking at the map and doesn't notice Misty looking at him wistfully, stops walking. He frowns and indicates that they are lost again. Misty begins criticizing him.]

*I just wanna hold you close, but so far*

*All I have are dreams of you  
So I wait for the day  
And the courage to say  
How much I love you  
Yes, I do*

[Ash and Misty argue as Brock and Pikachu try to stop them. They finally turn away from each other gruffly, folding their arms. Cut to scene of everyone resting by a pond. Misty is sitting some distance away from the others, her chin in her hands. She looks at Ash, and we can tell she's wondering why they're always fighting when she cares about him so much.]

*I'll be dreaming of you tonight  
'Til tomorrow, I'll be holding you tight  
And there's nowhere in the world I'd rather be  
Than here in my room, dreaming about you and me*

[Scene changes to later in the day. The sun is setting. The gang walks into a Pokémon center to spend the night. As they walk in, we notice—but not Misty—Ash stealing a shy glance at Misty. They go to the reception desk, where they check themselves in as Misty drags Brock away from Nurse Joy.]

*Ah, ah  
(Corazón)  
I can't stop dreaming of you  
(No puedo dejar de pensar en ti)  
I can't stop dreaming  
(Cómo te necesito)  
I can't stop dreaming of you  
(Mi amor, cómo te extraño)*

[That night, we see them asleep in the center. Misty notices that Ash's blanket is falling off, so she gets up and pulls it back over him. She gently kisses his cheek and then strokes his head.]

*Late at night, when all the world is sleeping  
I stay up and think of you  
And I still can't believe  
That you came up to me  
And said, "I love you"  
I love you, too*

[Ash turns to Misty, his eyes wide with surprise. Misty, who had thought he was asleep, blushes fiercely. She stammers, unable to find words. Ash sits up. Gently, slowly, he places his hand on her cheek. They look at each other for a few moments, then Ash leans forward and gives her a brief, gentle kiss on the lips. They stare at each other for a few seconds.]

*Now, I'm dreaming with you tonight  
'Til tomorrow and for all of my life*

[They wrap their arms around each other and kiss again. This kiss lasts longer.]

*And there's nowhere in the world I'd rather be  
Than here in my room, dreaming with you endlessly*

*Dreaming with you tonight  
(With you tonight)  
'Til tomorrow, I'll be holding you tight  
And there's nowhere in the world I'd rather be  
(Rather be)  
Than here in my room, dreaming with you endlessly  
(I'll be dreaming)*

[They end their kiss but don't release their hold on each other. They stare at each other for a few seconds, then smile brilliantly and hug each other tightly.]

*Dreaming of you  
(Of you tonight)  
Endlessly  
(And I'll be holding you tight tonight)  
Dreaming  
(Dreaming)  
Endlessly  
(With you tonight)*

[The next morning, Pikachu wakes up first. It yawns and stretches, then sees Ash and Misty asleep in each other's arms. Its eyes widen with surprise, then it smiles.]

*Endlessly  
Endlessly  
Dreaming*

[Pikachu snuggles against Ash and goes back to sleep.]

[Camera slowly zooms out. Scene blurs to a shot of the outside of the Pokémon center. The camera continues zooming out as we see that the sun has just begun to rise. Two birds fly by. Music fades out.]
