1 - Torn Between 2 Worlds

Torn between two worlds
one with guys, one with girls
its the same old story
the only end is gory
im sorry to say
but i can't stay
in this loop of hate
now lets get this straight
why do i care so much
this love for all will not budge
its like i just can't win
my soul is caving in
it's so hard to know everything
then look at the people who will soon sting
dont tell them, please dont share
just, go, now, over there
out of the way, out of the picture
only until blood touches the floor.
when that moment has arrived
and that soul has been knived
then and only then will you all know
with lies and anger, we cannot grow.

I don't know who to follow.
i honestly do not know.
theres a lesson to be learnt
honour to be earnt
but this is all wrong
its way too strong
