**Chapter 1 - Until The End**

# 1 - Until The End

What the hell happened?  
How did we end up this way again?  
Hold on, I think I know.  
We're just kids,  
Hoping to make something of ourselves.

Chorus:  
Oh, I hope,  
I wish,  
I dream,  
For you to stay in my life.  
I just hope,  
I wish,  
I dream.  
Please, just stay in my life,  
Until the end.

There's some things that we don't know.  
At home,  
We're never alone.  
Scratch our names in stone,  
We are who we want to be.

(Chorus)

Bridge:  
Oh, I guess,  
I must confess,  
That people come and go.  
There are things we'll never know,  
Things that we just can't do.  
Maybe we'll find someone new.

(Chorus)

Until the end,  
Of my life,  
Until the end,  
Of this generation,  
Until the end,  
Of the world,  
I'll hope, I'll dream,

Oh, please, just stay with me.

We're just kids,  
Hoping to make something of ourselves.
