# 1 - Summer Camp Out

CHAPTER ONE

(Srry Blu's so out of character. I just wasn't in the mood to make her normal. Oh well...)

Camp out with my buds

Spazz: [rolls over, blinks, rubs eyes] urg... [sits up and looks around one person tent] Better get dressed I guess. [talks slowly, sleepily]

Nix: [calls from outside] Time to get sleepyhead, nearly everyones already up and eating! [sounds all cheerful and happy]

Spazz: Shut up! [gets dressed and makes "bed"]

Blu: Good morning! How's it going?

Spazz: Tiired...[nods head sleepily] I was up late last night typing about all we saw yesterday. That was a gorgeous trail, don't you think?

Blu: definitely!

Nix: [brings plate of food over for Spazz] here ya go. [smiles and sits down next to her with his plate]

Blu: [nudges Spazz's arm] he [raises eyebrow]

Spazz: shut up [looks innocent] he's just a sweetie. [smiles]

Nix: [acts like not paying attention] So, how do you like breakfast? I made it today.

Star: [cuts in to talk to Spazz] G'morning! Did you sleep well? I saw you were up late. [smiles innocently laughs and leaves]

Spazz: Yes, I really like home breakfast burritos. Thanx!

After a while everyone cleans up and gets packed up for newest hike.

Spazz: I'm so glad I joined this camp out group! Friends, new and old. Plus great sights! Just gorgeous. [hikes up backpack and follows group, walking with Blu and being followed by Nix]

Red: [catches up with the little group] Hi.

Blu: [grabs arm and holds onto tightly] Where were you all breakfast? We're gonna be hiking all day and you haven't even eaten the most important meal!

Red: Ah shaddup, im fine and will stay fine! [walks faster dragging Blu along with him and leaving Spazz and Nix at the back of the group]

Spazz: thanx for bringing me my plate. That was very nice of you.

Nix: It's nothing. Just sticking to my daily good deeds. [laughs]

Spazz: hmm...[smiles and walks on, snapping a pic here and there]  
--that night—

Spazz was importing all her pics, and fixing them up, this would be another long night. Typing and editing. She just did it for no reason. Even if it did pay a price on her health sometimes.

Star: Knock knock. May I enter? [cracks open slit in tent]

Spazz: Oh yah sure. Come right in! [moves a few pillows around to make room]

Star: I need to talk to you. [looks all serious]

Spazz: [looks startled] Huh? What's wrong?!?

Star: It's about.....Nix. He has no friends but you. And you barely hang out with him. Don't you ever wonder why he treats you so well?

Spazz: Uhh, well, umm, no. No I haven't. He just seems like a super sweet boy! [stops playing music and looks straight at Star]

Star: Ok, I was just wondering. You look like the type who would notice right away...well good night and sleep well this time. [leaves tent]

Spazz: hmmm. I don't like him... I don't think I do... hmm... well hmm, ill think about it. [turns music back on and types and thinks]

Spazz gets to thinking. What is so interesting about Nix and me. We're just friends. Just because he likes to do sweet thing for people doesn't mean he's like in love with me, no biggie. Come to think of it, he even brought Star her plate yesterday, so why does she think it so special when he does for me? Now I'm confusing myself. Oh shut up brain and work! She looked at the computer screen, this was stupid. She was just going to finish this document and go to sleep. It always helps when you sleep on it. The next afternoon Star woke her up. Afternoon!

Spazz: OH MY GOSH! How could isleep this late, I went to bed earlier last night than usual! What's going on. Why didn't Nix get me up?

Star: that's the problem. Nobody knows where he is. He disappeared and you didn't get up so we knew he wasn't here. He would've woken you up to go on today's hike. [looks concerned] you better get up now so you can help look for him. Get dressed there's a snack at the table. [leaves tent]

Spazz: Huh? Wait that went a little to fast! What's going on? [gets dressed and goes to table and eats snack and goes and meets Star and the rest of the group at the meeting tree]

Group leader: Well now that we have everyone up and ready we're gonna conduct a full search. A map of the state park will be given to each group of three. Then we'll decide which group will go where. Ok?

Everyone whispers and nods heads. Everyone divides onto groups of three. Star, Blu, and Spazz made one group.

Red: [starts to pass out maps but keeps his head down. He doesn't want anyone to see the remainders of his fight last night. A scabbed lip, black eye, and a slash across his left cheek]

Group leader: Ok now Red is passing out the maps. Once everyone is settled I want you to put your map on your lap.

Everyone puts maps on laps and waits impatiently. Nobody likes it when a worthy teammate gets lost. Most people want to get going and find him.

Nix sat underneath a tree. He plans out what everyone would normally do today. He figured nobody would notice he wasn't there. First they would all wake up and eat breakfast, second they would gather supplies and go over the day plan about where and what they would do today. Third they would all start off in a line of little clichés. Fourth they would finish the day, eat, hangout, and go to bed. He felt the dried blood under his nose and on his lip. It had tasted very salty when he had been bleeding.

(Sorry Red's outa character too, I needed something to write about...)

The cut on his neck was just starting to get crusty and black was starting to color in around his right eye. He had been a fight last night. Not a pleasant one either. No one knew what he did about Red. That's why it started in the first place. Red had known Nix when they were both kids. Nix knew what Red's mom did to him. She abused him when she was drunk. Red and Nix would always play in Nix's backyard, where no one would hit him, where it was safe and fun. Then they got older. Red moved in with his dad and step-mom. Nix became really unpopular, nobody liked him. Red became popular, everyone liked him. They weren't friends anymore. Then they left middle school. Made it to high school and talked ever so occasionally. Now that it was the summer after their first yr of high school and they hung out every now and then. But last night they got in an argument. Red was drunk and Nix got mad at him. Nix remembered how Red had acted when his mom got drunk. He couldn't see Red like that and confronted him. Well Red got mad, told him not to tell him what to do. Then he started to fight, with punches and kicks. Red got the better of the fight. Nix had been beat up before and could defend better than Red. But Red had been in more fights and could fight better than Nix. Red won, Nix left. Red remembered what he had done the night before. But didn't want anyone to know it was his fault Nix had left. Nix left so that Red could keep up his rep. But so far it had only worried the entire group of campers. Nix leaned against the tree and remembered Red's face. It had been scary, like his moms face, all contorted with a fake rage.

By now everyone had already started out and were looking. Spazz remembered where Nix liked to hangout and her group started over towards that area. He usually didn't stray to far from the camp or his "spot", at a very old tree.

Spazz: I don't understand why would Nix just get up and leave? He just doesn't seem like that sort of guy...

Blu: Well u just keep worrying about him. I'm just wondering why Red wanted to go out be himself. He knows that if he gets hurt it will probably take quite a while for someone to fine him. [looks at the new trees surrounding the path, looks startled]

Red: [breaks through bushes on left side of path] – [gasps for air]
