Poems relating to fantasy, whimsy, and myth. Some dark, some affectionate, either way, I enjoy them.

Chapter 1 - Moonlight Nymphan Dancing

1 - Moonlight Nymphan Dancing

Legend tells a legend tale of Moonlight Nymphan Dancing,
When the light shines soft and pale,
The ethereal visions of beauty shed their solemnity,
Their cheeks alight with rosy pallor,
Their eyes as stars that twinkle,
Their smiles illusion lavender petals cascading,
The voices that they sing with ardour,
A match for Angels make,
The grace they radiate is made less by their exotic movement,
Fluid more than any stream, such as by they dance,
Sisters sharing secret fun upon a grassy meadow,
With melodic progression they entrace all that lives,
Time itself remains reluctant to let night come unto end,
When all is done and merry joy is made to slumber they yet go,
Awaiting another night of Moonlight Nymphan Dancing.
