## 1 - Passion's Tryst (My favorite)

Your touch is like knife,  
Yet I love it anyway,  
The warmth of your passion,  
Please never take away,  
Let me feel your loving heart,  
As it beats a burning flame,  
As my own heart does the same,  
Flitting with undying obsession,  
For the embrace of your soft skin,  
The wild look glinting in your eyes,  
The sweetness of your kiss,  
Let never this night end,  
I want to hold it for forever,  
And never let it go,  
This is my eternal wish,  
This is my final tryst.
