Chapter 1 - The Dark Path

2

1 - The Dark Path

I shall find my way out of the darkness,
Down the path that never ends
I search for all but happiness
Through the dark my heart descends

Keeping in mind the pain of yesterday
We scream of no rejoice
In tears our hopes lay
Not to hear a single voice

The hopes of tomorrow bring light to few
Of the day we will see
It approaches without giving a clue
Most the questions we'll just let be

I see light at the end
Let my body become warm
Into the light all colors blend
In this chamber safe from harm
