1 - I am Sonic

I am Sonic

I love to run,
I find it fun,
I'm the fastest thing alive.
If you've asked me round,
I sure you've found,
I dont take long to arrive.

I am the blue dude,
known as Sonic.
Saving the world,
and everyone on it.

I'm the hedgehog,
who loves chilli dogs,
I eat, tons at a time.
I never get fat,
and thats a fact,
not just part of this rhyme.

I am the blue dude,
known as Sonic.
Saving the world,
and everyone on it.

I run from Amy,
she loves to chase me,
constantly asking for marrage.
But if i get caught,
she wont spare me a thought,
as she wisks me off in her carriage.

I am the blue dude,
know as Sonic.
Saving the world,
and everyone on it.

Knuckles and Tails,
and me, never fail,
we make the perfect team.
We work together,

helping each other,
we're as good as we seem.

I am the blue dude,
known as Sonic.
Saving the world,
and everyone on it.

I spoil all the plans,
of one crazy man,
he's always up to his tricks.
He's ones clever guy,
his HQ is so high,
we call him Dr Robtnick.

I am the blue dude,
known as Sonic.
Saving the world,
and everyone on it.

My rival is dark,
and good at this lark,
his name I'm sure you know.
He's one good creation,
full of aggression,
yes thats right its Shadow.

I am the blue dude,
known as Sonic.
Saving the world,
and everyone on it.

Now as you've been told,
I'm growing old,
I'm not the main character as such.
But you have to agree,
that I am still me,
even though I dont feature as much.

I was the blue dude,
known as Sonic.
I saved the world,
and everyone on it.
But now no one cares,
about who i am,
the new generation,
are not such fans.

But there in the background,
I still go on,
saving the world,
and keeping it strong.

A/N i just wanna say that the 'growing old' thing isnt so much to do with him not being the main character but more to do with Sega adding more characters, its almost like they are bored with Sonic :(
