"Sorry Ran-Ran I wasn't paying attention."

"Hey I was looking for you, I wanted to ask you something"

"You wouldn't understand" I said "Bye" and ran off whistling. The next day I was in the school that Ichigo Kurosaki goes to

I walked up to a boy with short shoulder-length hair and glasses on.

"Hi I'm Arisu" I said smiling at him

"Uryu Ishida" he said

soon school was over

I was walking down a street hoping to find Ichigo. I changed outfit and was in a low black top that said "my cynical romance", a black and silver mini skirt, onyx spider web earrings, a black onyx skull bracelet and combat boots. I suddenly felt a blade go through me.
