## 1 - everywhere, to me

Kagome closed her eyes. Oh how she missed him! How he had disappeared before she could tell him how she truly feels. How his hair would gleam in the sun and his ears would perk up when she talked. Every day she would tell herself "He's here, I can feel it." She would run down stairs to find it was only no one, a shadow of tears.

Turn it inside out so I can see  
The part of you that's drifting over me  
And when I wake you're never there  
But when I sleep you're everywhere  
You're everywhere

Inuyasha walked alone, slaying demons without a purpose. He abandoned them all. His friends unsuspecting, left alone. Although he would never admit it, he missed her. He loved her. No! No time for that now. He must find Naraku.

Just tell me how I got this far  
Just tell me why you're here and who you are  
'Cause every time I look  
You're never there  
And every time I sleep  
You're always there

"Kagome..." Inuyasha said. "I—" an arrow shot from nowhere, piercing his flesh. "No! Don't die!" Kagome grabbed his hand. Kikyo appeared and Inuyasha was gone. Kikyo started to laugh. A hysterical laugh. A killer's laugh. Kagome woke up, breathing hard.

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know  
That makes me believe  
I'm not alone  
I'm not alone

Inuyasha had to find shelter--soon. He knew that tonight was the new moon. Any demon could ambush

him now. He jumped into a tree. He would wait out the night here.

I recognize the way you make me feel  
It's hard to think that  
You might not be real  
I sense it now, the water's getting deep  
I try to wash the pain away from me  
Away from me

'How could someone disappear like that?' Kagome thought 'unless...!' She hit her head against the table. "Ow!" Something moved in her room, a slight shuffle, a shadow on the wall. "Get out!" Kagome screamed. But no one was there. "That's it." She said, And went through the old well.

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know  
That makes me believe  
I'm not alone

I'm not alone  
I am not alone  
Whoa, oh, ooh, oh

Kagome ran out in the cold night air. She ran as far as her legs would take her, and then some. She stopped in a dense forest, ready to give up. "I would rather die than live with out him!" she yelled into the night. She raised an arrow to her heart and...

And when I touch your hand  
It's then I understand  
The beauty that's within  
It's now that we begin  
You always light my way  
I hope there never comes a day  
No matter where I go  
I always feel you so

"Kagome! No!" Inuyasha said grabbing her hand. Their eyes met.

"Inuyasha, I... I..." She started

"I'm sorry." He whispered. And they kissed.

He woke up slowly, not wanting the dream to end.

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know  
That makes me believe  
I'm not alone

'Cause you're everywhere to me  
And when I catch my breath  
It's you I breathe  
You're everything I know  
That makes me believe  
I'm not alone

Inuyasha looked at the new moon, dreaming of her face.

You're in everyone I see  
So tell me  
Do you see me?
