# 1 - Can i buy you a flower?

can i buy you a flower?

i know you dont love me  
i know you dont care  
but i hope you know  
ill always be there

id climb any mountain  
swim any sea  
i know its cliched  
but when youre with me

im next to an angel  
more so than a girl  
the world is an oister  
and you are my pearl

can i buy you a flower?  
i know its not real  
but its all i can give  
to show how i feel

it wont ever wither  
it wont ever die  
just like my love  
it continues to fly

can i buy you a flower?  
ill leave it right here  
outside of your door  
youve been crystal clear

i wont ever come back  
i wont ever call  
i wont hide around corners  
of dimly lit halls

i never did change  
as time passes by  
neither did my flower  
it will never die

its been so long  
and i miss you so  
stumbling through life  
with my shadow

i lay in the cold  
dreaming of who?  
dreaming of angels  
dreaming of you

im still laying here  
on memories tower  
and i still remember the day  
when i bought you a flower
