# 1 - The Silent Screaming

## THE SILENT SCREAMING

I wake up, the sun is out  
I smile, but deep inside, I shout  
I can't say I'm fine,  
can't leave this pain behind  
There's a.....  
silent SCREAMING can't you hear it?  
I am ripped between two hearts, can I admit  
that I can't decide between you...oh, no I can't.....  
I'm sitting here all alone,  
still no answers on the phone...  
How would you feel?  
How could heal  
your broken heart?  
Now that you and him must be apart  
Listen deep inside of you  
is this your dream come true?  
Cause deep inside of me  
Its become my nightmare.....  
There's a silent screaming, can you believe it?  
I feel crushed inside, surely you must feel it  
I can't cry, and  
I can't lie  
This heartbreak is taking me down, all the way down.....  
Can you hear me screaming now.....?
