Dear Cat,

You have done so much for me! You have draw me pictures, looked out for me, got me back up when I was depressed, encorage me, give me so many wonderful gifts, helped me when I needed it, you got me on to FAC, but most importatnly you're my friend... and that is the best gift you have given me! I know I get mad somthimes at you and frustrated but you have always excepted it, and not let it affect our friendship! I know I propbably annoy the heck out of you every single day of your life but thats my freaky, stupid, stupid way of being friendly! LOL I guess you haved always helped me in some way or another, no matter how small it was! It still helped me get here where I am.

So Thank You Cat!  
You deserve this!

Always,
