Chapter 1 - 10 things to do!	2
Chapter 2 - A few more things...	3
Chapter 3 - can I think of any more...?	4

1 - 10 things to do!

- (1. Start singing songs to annoy people. When they get used to it; sing another song.
- (2. Take off your shoes and climb in the trunk.
- (3. Play your Game Boy on high volume.
- (4. If you have a laptop PC, purchase Mortal Kombat Trilogy for it before your trip, and execute a Fatality.
- (5. This goes along w/ the PC, Go to Newgrounds.com and gross people out.
- (6. Bring your pet if it's a dog or cat. Every time the car hits a bump, the cat will jump and the dog will bark.
- (7. Fart.
- (8. In your pack, bring onions. Start eating. Repeat.
- (9. Bring lollipops. Keep licking. Stick in sister's hair.
- (10. Give your brother nosebleeds by showing him Maveryck85's art.

2 - A few more things...

- (1. Get naked. Start screaming "WENUS!! WENUS!! And people will start succumbing.
- (2. Get McDonalds. When someone takes a drink, say "BOOGER!!!!" You will see the finished product all over the place.
- (3. Bring an intermideate dictionary along with you. Look up "SE."

When I say a few, I mean three!

3 - can I think of any more...?

(1. Spit out the window.

(2. turn your eyelid inside out.

(3. Bring a sticker at the beginning of your trip. Place it face-down on seat.

The next person that sits there will now have a sticker on their butt.

NOTE: The bottom of the sticker may not be silver, or sparkily.

(4. Continuously belch.

See? I could only come up with four. I'm losing my humor.

I'm good at saying funny stuff of the top of my head like: "COFFEE IS GOOD AND BAD FOR YOU AT THE SAME TIME! IT'S LIKE FREEDOM IN A CUP!" or something like that.

pff...
