Chapter 1 - Scuzme

2

1 - Scuzme

Whenever I day dream,
and day dream I do,
in my secret garden,
I day dream of you.
My ideas and art,

they always come

from you.

Sometimes I wonder

why do you help me?

Your day dreams

are filled with ideas,

it says let them out,

let your passion

let it soar in the wind.

Remember me when

you are famous.

While I can never repay you,
For the wonder you bring to my life,
I can forever be true,

So how do you like it? Kind of like you? I can make another if you want? I tried the best I could to make it like you, but I only know little about you heheh so I did this. >.<
