## 15 - Tommorow...

As Suki screamed loudly Lee turned around to see Gaara's sand swarming at him. "Lee-san!" Suki screamed loudly as her eyes widened with fear. Lee quickly stared at Suki with a small streak of red crawling upon his face. "does she really worry about me that much?" He thought curiously. "YO LEE! LOOK UP!!!" Guy yelled in worry. Lee looked seeing the sand about to fall towards him. Lee quickly rolls away just as the sand rams into the ground. Soon a small smirk crawls upon Lee's face as he stares at Guy. Guy simply replies with a small nod of his head and Lee stands up putting his arms over his face.

"wh-what is he..." Hitoshi places his hand onto Suki's shoulder giving her a warm smile. "stop worrying so much...just trust him. I'm sure he knows what he's doing..." Suki smiles and nods turning back at Lee who has finally opened the 5th inner gate. Within a flash Gaara was tossed around like a hacky sack. With fire burning in his heart Lee shouted as he pulled his final primary lotus sending Gaara crashing down.

As the dust cleared both of the ninja's were lying on the ground. Suki gasped as she stared at the two lifeless bodies. "L-lee..." Suki whispered softly clutching her necklace. She slowly closed her eyes looking downwards mumbling quietly. Just as Suki opened her eyes, Lee slowly started to get up and crawl away. But at the same time Gaara's sand slowly crept covering Lee's leg and arm. Soon Lee howled loudly in pain as Gaara crushed his limbs hard causing a red substance to surround Lee. Screaming loudly in fear Suki crouched down covering her face as tears fell onto the ground like rain.

Soon after, Sakura screamed loudly as well as she shouted, "LEE-SAN?!" Suki quickly looked up seeing Lee still standing with his broken limbs twitching. Suki's eyes widen as she fell forward, and everything faded into a black darkness...

~the morning~

"Hey guy..." Mayu said calmly sitting next to Guy on the bench. Guy just stared at her then slowly looked back down. Quickly Mayu slapped Guy's arm hard causing him to yell in pain. "WHAT WAS THAT FO-" Guy was soon silenced when Mayu pressed her lips against his while grabbing his arms pulling him closer towards her. A small pink flush crawled on Guy's face as Mayu pulled away. "M...mayu?" Guy said in confusion as Mayu wiped her lips with a disgusted look. "stop being so emo and smile!" She said staring at Guy with a wide smile. "Thanks Mayu-Chan..." Guy said happily. "don't get used to that!" She snapped. Guy laughed loudly as Mayu chuckled along side him.

"Thank you come again." Ino said happily. Suki bowed as she took the flowers and ran off. Suki smiled happily. "I'm sure these flowers will make Lee-san happy." chuckled to herself as she blushed hard. "Maybe if he gets well he'll ask me out!!!" Suki covered her face as she squealed softly with a wide smile. She walked through the doors and walked to a desk and asked the nurse for Lee's room. Thanking her she walked over to the room and slowly opened the door. Stopping about halfway she stared at Lee as tears formed. "what am I staring at..." She thought.

She looked at Lee's lifeless body as he laid there still. Suki slowly backed up until she hit the wall and

slowly she slid down, her eyes still streaming with tears down her cheeks. "What am I....what am I staring at...th-this isn't Lee-san!" Suki continued to stare forward thoughts still running through her mind. Finally a sharp pain crawled on Suki's right cheek as she looked back at Guy who slapped her. He had a worried look on his face and a couple of nurses were behind him as well. She quickly grabbed onto Guy as she cried into his shoulder. Guy rubbed her back calming her down.

~one week later~

Lee slowly opened his eyes and looked over to see Suki sleeping with his hand gripped in hers and a bouquet in the other. Lee smiled softly as he rubbed Suki's hair behind her ear. Suki opened her eyes yawning and stretching. "good morning Suki-chan." Lee said smiling softly. Suki quickly fell out of her chair shrieking in excitement. "LEE-SAN! YOU'RE AWAKE!" She squealed hugging him. Lee groaned in pain and Suki quickly let go repeatedly saying sorry. Lee smiled softly, "how long have you been waiting?" Suki looked away blushing, "well...about...a week..." Lee smiled and chuckled. "I bet the nurses yelled at you to leave huh..." Suki smiled staring back, "yeah... Listen Lee-san...I...er..." Suki rubbed her arm as her face turned red. "what is it Suki-chan?"

(very sexeh part ahead XD jkjk lol...unch...)

Suki quickly wrapped her arms around Lee kissing him deeply. Lee's eyes slowly widened as Suki continued to kiss him. Slowly Lee grabbed Suki's waist pulling her closer (with one arm >.>; gah). "What am I doing?! Why can't I stop..." Lee thought as he pulled Suki over him. Suki's face turned red quickly as she closed her eyes tightly. Lee placed his hand on her back pushing her body onto his. Lee slowly closed his eyes as he pressed his lips harder onto hers. Lee soon and surprisingly licks Suki's bottom lip and their tongues collide. Soon Suki moaned loudly and that's when- "Hey bushy brows what is uh-WOAH!!!" Suki and Lee looked over both faces blushing with guilt. "I-I have to go Lee-san!!!" Suki said quickly as she ran out of the room pushing Naruto out of the way. "Wait S-suki-chan! uh..." Lee sat up with a sad look on his face. Naruto chuckled loudly, "wow bushy brows gettin' it on UNCH!" He continued to laugh loudly.

~the night~

"what was I thinking...it...it just felt...NO FOCUS! Sakura is your main focus!!! ...but...NOOO! GAAAAAH I CAN'T STOP THINKING ABOUT HER!!!" Lee's head screamed as his head crashed onto the pillow. The moon shone brightly as the clouds rolled with the wind.

"i can't stop thinking about...what we did..." Lee said quietly. He sighed loudly as he closed his eyes. "L-lee-san..." Lee opened his eyes and jolted forward. "Suki-chan?!" Lee sat there in total darkness waiting for Suki to come out of the shadows...but nothing happened. He sighed again, "only my imagination...I can't let Suki get in the way of me and Sakura-Chan! Ok...tomorrow if she ever visits me...i have to tell her we can't be friends..." Lee closed his eyes as a frown appeared. "...tomorrow...that'll be the day...tomorrow...."

## 17 - Enter Sutaru

It was around 2 o'clock at night. Everyone in Konoha was fast asleep as a young girl in a green kimono stepped on the highest building. She had long brown hair with beautiful blue eyes. She slowly took a deep breath. Soon Lee woke up to a soft voice singing sweetly with the wind. Lee slowly sat up as he rubbed his eyes and stared in awe as the girl was right across from him on the roof. He blushed hard as he stared at her. "she's...beautiful....like an angel..." He said softly. Soon the clock struck 3 and as Lee blinked only once the girl vanished.

~the next night~

"REALLY?!" Lee shouted with excitement. The nurse nodded and handed him his crutches. "Just be careful." She said with a small smile as she helped him up. Lee thanked her as he walked outside. "YO LEE! Look who I found." Naruto shouted as he pointed over to Suki who was sitting alone on the bench. Lee blushed hard as Suki looked over at him. Lee slowly limped his way over towards her as he sat down. Naruto chuckled loudly as he said, "I'll leave you two alone." He winked at Lee and left cracking up. "I have to tell her...no matter how painful it'll be..." he thought sadly. He slowly looked up at Suki and took a deep breath. "listen Suki-chan...I-" before Lee could even say anything Suki interrupted him. "You don't want to be friends, I know..." She said quickly as she picked petals off a cherry blossom flower. Lee jumped in shock.

"How'd you-" Suki stared at him with tears in her eyes. "don't bother asking." She stood up and walked away slowly. Lee sat there as it started to pour softly.

"what have I done..." Lee said to himself as he watched Suki disappear in the misty fog.

~the morning~

"Hey Mayu-Chan!" Guy said with a wolfish grin. "WHAT!" Mayu said angrily when suddenly Guy sent his lips crashing into Mayu's. Then he pulled away as Mayu smacked him hard sending him flying. "I TOLD YOU NOT TO DO THAT!!!" She said with a pissed off tone. Guy placed his hand on his cheek and growled playfully. Mayu blushed and pouted. "Go bother someone else!" Guy wrapped his arms around Mayu's waist as he pulled her leaving the two only centimeters away from each other. Guy chuckled as he went to give her a kiss. Soon Mayu kicked his nuts and Guy howled in pain as he fell over OUCH! X.x lol. "I told you BOTHER SOMEONE ELSE!" She growled as she walked away leaving poor Guy. Kakashi then walked up reading his book as he tripped over Guy.

"Mayu kick you again?" Kakashi said as he stood up. Guy nodded as tears formed. "told you not to get her to pissed off Guy." Kakashi sighed as he helped Guy up. Guy screeched in pain but then sighed. "I'm ok." He said with a tweak of pain in his voice. "So where have you been?" Kakashi looked away. "Well I-"

"Have you and Atsua been doin' NAUGHTY things Kakashi?" He chuckled as Kakashi's face turned red in anger and embarrassment. In only 3 seconds flat, another howl of pain was heard as Guy was down on the floor holding his crotch area where Kakashi had kicked him. "Later Guy..." He said walking away opening his book.

"Uh...G-guy-kun are you ok?" Manashi said softly as she helped him up. "yeah im fine, thank you." Guy said. "Now if you excuse me I have to go find my Mayu-chan!" he said as he ran off. Manashi looked down and sighed. She looked over at the ramen shop to see a guy with silver hair arguing at the ramen man. "WHAT DO YOU MEAN IM 3 YEN COINS SHORT!" He shouted loudly. Manashi stared at them as they continued to argue. "YOUR 3 YEN SHORT EITHER YOU LEAVE OR I'LL KICK YOU OUT!" Manashi slowly walked towards the shop as the two got up in eachothers faces. "umm e-excuse me..." Manashi said shyly. The two stared at her with angered eyes. "What do you want!" the man said with a harsh voice. Manashi gulped hard as she pulled out 3 yen coins and placed it on the table. The man stared at Manashi with wide eyes.

She stepped off the stool and started to walk away when the man grabbed her arm and pulled her towards him. "Hold it! I didn't even get to know your name!" Manashi blushed as she stared into his eyes. "well?" Manashi blushed harder. "m-my name?" The man nodded. "I...Im M-manashi..." The man smiled. "Im Sutaru, its nice to meet you Manashi." He said with a wink. "she's really cute..." He thought to himself as he watched her look away. "Hey, instead of Ramen how bout i buy us some Sake?" He said with a wink. Manashi jumped in shock. "Umm n-no thanks!" Sutaru looked down with disapointment. "i-im just not much of a drinker." She said with a small smile.

After a couple of hours Manashi stood up. "where are you going?" Sutaru asked calmly. "Home..." Sutaru stood up and grabbed her hand. "I'll walk you home." "o-ok..." She said blushing. Sutaru drank the last of his Sake and walked with Manashi. "So Manashi...are you single?" Manashi's eyes widened as she stared at Sutaru. He gave her a wofflish grin as he winked. Manashi turned away and blushed even harder as she nodded. "I see..." When they turned around the corner Sutaru grabbed Manashi and pressed her against the wall. "Then I suppose you've never kissed a guy before huh." he said as he neared his face close to Manashi's. "S-sutaru-san! I...I really need to go! Th-thank you for walking me!" She said slipping away from Sutaru and running off. Sutura smirk slowly disapeared as he watched Manashi run off.

## 18 - Suki's new bf o.o

Slowly walking, Suki stared downwards with sadness in her face. "Hey maybe we could see a movie later." Suki stared up to see a young couple. The girl clung closely on her lovers arm as she agreed to his statement. Suki watched as the boy pecked her lips softly as they continued walking. Angry and yet depressed at the same time, Suki ran off until she ran into someone. "WATCH WERE YOUR GOING!" She snapped only to completely be stunned to see she ran into Gaara of the sand. He gave her a glare as he got up. "i...i..." She stuttered. Suddenly she felt sand brush up on her arm and yank her up. Startled by what happened she grasped onto Gaara tightly as she was flung up. A long pause came after that. Gaara finally broke the silence when he said "get off me..." in his normal cold raspy voice.

"Sorry." she replied letting go of him. She watched as he walked away. A small flush of pink ran across her face. "Did i just..." She said quietly. Suddenly a small grin appeared as she ran after Gaara. "GAARA! HEY!" Gaara turned around in suprise as Suki ran up to him. "I just wanted to say sorry for what happened back there." He stared at her as she did her 'adorable smile'. "...what do you want." He said harshly. Suki paused as she saw Lee walking by in the corner of her eye. Quickly she yelled, "I wanted to know if you want to go out with me!" Hearing this, everyone looked at her even Lee. Gaara said nothing for a while. "Why would you want to be with a monster?" he said with an unemotional expression. Suki gulped and said, "your not a monster, I know that for a fact!" Gaara continued to stare making Suki more uneasy. "Your not afraid of me?" He said this time a small blush came in. "NO! Actually, to me im more afraid not to be with you." She said making small small tears appear. "Please say yes! I want to be with you!" she said with a quiver in her voice.

"Suki-chan!" Lee said to himself. Finally Gaara pushed her down and walked away. "Get lost before I kill you." He said leaving Suki on the ground. Something inside Suki caused her to run after Gaara and hug him from behind. Everyone was stunned. Gaara then turned around to push her again when she grabbed his face and kissed him hard. Angered, Lee stormed off with his face steaming red. Suki slowly moved back afraid of what Gaara would do. Gaara grabbed her arms tightly and kissed her back softly. Suki's eyes widened as Gaara pulled her closer. As Gaara broke the kiss he stared at Suki's eyes. Suki blinked twice as Gaara slowly smiled at her as he turned around leaving Suki helpless and wanting more. Suki's face was red as she stood there touching her lips. As Gaara dissapeared Lee ran up to Suki with an angered yet embarressed face.

"WHAT WAS THAT?!" He said in a mad tone. Suki snapped out of her trance and stared at Lee grinning. "Nothing." Lee paused and looked away. "Why do you even care?!" Lee lowered his brows. "Im worried about your own safety!" He said. "Well I don't even know who you are so just leave me alone." The brunette simply walked away leaving him standing there. "WHAT?! SUKI-CHA-" "SOMEONE HELP! STALKER!" She screamed running away. Lee blinked as everyone stared at him coldly. "IM NOT A STALKER!" He yelped running away in embarresment.

-----the next day-----

Lee walked along the streets looking at the clouds when he heard Suki's soft giggle. Looking, he saw Suki clinging to Gaara's arm happily. Gaara only smiled softly. "Your so adorable Gaara-Sama!" "I think

its the other way around." He said kissing her softly. Lee watched in terror as he wrapped his sand around her pulling her closer and glided his hand across her cheek. Lee looked away. "I cant stand this anymore!" Suddenly a burst of anger rushed through him as he heard Suki moan Gaara's name. "THATS ENOUGH!" He yelled. The two stared at him. "FINE SUKI IF THIS IS HOW YOU WANT TO PLAY IT THEN JUST GRAND! WHY DONT YOU JUST GET A ROOM YOU WHORE!" He ran off cursing and shoving people aside. Suki felt a tear escape her eye and Gaara simply wiped it away. "i'll make him pay..." he said in a creepy tone. "It's ok Gaara-Sama," She said smiling. "dont worry about it." The two kissed again and continued to walk. As Gaara continued to talk Suki looked back with a frown.

## 19 - (its a secret) ;3

It was a dark and wet night. The rain seemed to endlessly pour as the dark clouds rumbled, and lighting clashed onto the wet grass. A body was sprawled across the ground as blood slowly trickled away from it. A young girl held tightly onto a kunai as an evil grin crawled upon her face at what she had done. More lighting clashed as she turned away and left. Suddenly the girl stopped as she heard a small groan come from the body. "why wont you just die already!" she yelled as she chucked the kunia at the body's hand. The body yelled in pain as the girl walked closer. Removing the blood stained kunia, the body chucked it aside. "heh, annoying little pest aren't you." The girl smirked wider, stepping her foot on the body's bloody hand. Another scream filled the air as a clash of lighting came again. Pressing harder, the girl took out a larger kunia.

"At least i can make this more painful." She said with a merciful smile. "Damn you Akane!" the body spoke, glaring up at her. Akane smirk slowly faded and an angry expression came. "your lucky, if it wasnt raining i would have crushed you. Although..." she paused kneeling down and grabbing the body's hair jerking their head up. "Cutting you bit by bit is way more fun." "wouldn't you agree, Suki?" she said with a small chuckle, releasing Suki's long hair. "After i'm done with you, everyone will think you killed yourself." Her smirk came back along with another flash of thunder. "Even that goofy friend of yours would be sad. Maybe even sad enough that he would commit 'suicide'" "DONT YOU DARE TOUCH HIM WITH YOUR FILTHY HANDS!" Suki screamed as Akane laughed evilly. Suki slowly got up and threw a punch. Akane quickly caught Suki's fist and knocked her knee into Suki's stomach. Suki coughed up blood as she held her stomach stumbling back.

"Killing him will be alot of fun." Suki ran at Akane yelling in anger as she threw more punches, each failing. "First, i think i'll tell him how much you hated him..." Suki sent more flying fists as Akane continued to dogde, "Then after that i think i'll cut those disgusting eyebrows he calls 'youthful'..." Akane soon grasped Suki's hair and pulled her close. "Then right after that...I just might mess around with him and have a little fun..." she said smirking wolfishly as she tossed Suki aside. "YOU DISQUISTING PIG!" She said slowly getting up. "heh, im not the disgusting pig...you are." Suki looked at Akane panting in pain. "Leaving Lee for someone you barely know...making him feel like a total loser...like no one will ever love him, not like anyone does anyway." "SHUT UUUUUUUP!" Suki screamed running at Akane. Laughing, Akane grabbed Suki's neck and slammed her against a tree. Suki gasped in pain as Akane pressed her onto the tree even harder. "Im sure he's out there crying his little heart out from what you did to him..." She said slowly pulling out the large kunia she held before.

"He'll probably forget about you after he finds you rotting corpse..." She said plunging the kunai deep into Suki's stomach. Suki's eyes widened as she tried to scream, but nothing came out. Akane slowly let go of Suki, letting her fall to the ground. "think of it this way...at least you'll see you parents again. She said laughing as she left Suki lying there. Suki's body trembled as she began to loose more and more blood. Soon Akane's figure faded to darkness, as Suki slowly closed her eyes.

----that morning---

"HEY LEE!" Lee turned around to see Ken running at him. "What's wrong?" Lee asked curiously. "HAVE

YOU SEEN SUKI?!" Lee's eyes widened as Ken continued to talk. "She left last night and i haven't seen her since!" Lee's face grew angry as he ran off. "HEY! HEEEEY!" Ken yelled. Gaara slowly walked along when Lee ran right into his protective sand. "YOU BASTARD!" Lee said trying to claw at Gaara. "What do you want?" "WERE'S SUKI YOU...YOU-" Gaara tossed Lee aside as he stared at him. "i haven't seen her since two days ago. If you see her let me know..." he said walking away. Lee got up angrily, as he watched Gaara leave.

Suddenly, he saw two medical ninja run by him with Ken and Hitoshi by there side. Lee ran after them, quickly catching up. "Hitoshi! Whats up?" Lee panted. "IT'S SUKI SHE'S BEEN INJURED!" Hitoshi's worried face freaked Lee out "NANI?!?!" Lee yelled. "SHE'S AT THE TRAINING FEILD! I THINK SHE MIGHT HAVE-" Before Hitoshi could finish, Lee ran faster and faster as he made it towards the feild. Soon he slowly came to a halt as he stood face to face with the one thing he feared most. Right in front of his very eyes Suki's body layed stiff, she had many cuts and her clothes were drenched in blood. And worst of all, Lee saw a large kunai in her stomache with the name 'AKANE' written in blood on it...

## 20 - Mayu and guy filler lolz

"Ooooooh Mayuuu!"

"What!" Mayu said reading her book angrily. Guy softly played with Mayu's long ponytail as he smirked with a small chuckle. "The hokage is sending us and only us on an s ranked mission...together...alone..."

Suddenly Mayu was stunned with fury and embaessment. "What do you have to say about that?"

Mayu's reply? She slammed the book on Guy's nose causing him to yell in pain. "WAS THAT REALLY NECESSARY!" he said holding his bleeding nose. "yes it was..." she said getting up and walking away.

"MAYU-CHAN WAIT!" Guy ran towards her with open arms. As Mayu turned around Guy tripped and his hands landed on her.... double D's! Guy starred in terror as he looked up at the expressionless Mayu.

"M-MAYU I DIDN'T MEAN IT I-"

"...Guy..." Guy gulped as Mayu stared down at him with an evil glare. Suddenly Guy was sent flying into the air. As Kakashi was walking along Guy landed right in front of him as smoke sizzled from his body.

"Mayu again?"

"...yeah x.x ..."

"GUY-KUN ARE YOU ALRIGHT!?! " Manashi quickly ran to his side. "I'm fine x.x ..."

"Here let me help!" Manashi quickly did some ninjutsu signs and started to heal Guy's wounds. "There, please be more carefu-" Guy quickly got up and ran away in excitement. "IM COMING MY LOVE!!!"

Manashi looked down and jumped a bit when Kakashi placed his hand on her shoulder. "Its ok Manashi-chan he's just over-excited. he'll get tired sooner or later." Manashi smiled a bit and was helped up by Kakashi. "OOOOH MAYUUU!"

"WHAT NOW!" In less than three seconds Guy was on top of Mayu with a wolfish smirk on his face.

Mayu's face grew red as Guy got closer and closer. Suddenly, Mayu slammed her lips against Guy's causing him to be in a state of total shock. Taking the time to her advantage, Mayu grabbed Guy and slammed him against her, pressing her lips harder. Guy's eyes widened as Mayu slowly stopped the kiss. "Guy-kun..." she said softly causing guy to blush even more. "i wanted to say sorry..." tears slowly formed as guy stared down at her. "F-for what?"

"FOR THIS!" Mayu quickly grabbed Guy's arm flipping him over and kicking his balls hard. Guy yelled in pain and Mayu wiped her lips and sat back down reading.

-----later in the afternoon-----

"You ready Mayu?" Guy said with a sparkle in his teeth. Mayu sighed as she nodded. "Let me just have a couple of seconds to pray that you wont rape me." She said glaring Guy. "WHAAAAAAAA! MAYU I WOULD NEVER DO SUCH A THING!" Guy's eyes filled with tears as Mayu looked away. "Let's just go already..." The two left on their journey...to be continued XD

## 21 - MOO!

Lee sat there silently, stroking Suki's cheek ever so softly. His eyes filled with tears as his once best friend was lying there with no expression. Trying to cheer himself up; Lee softly smiled as he remembered the first day he met her. How close their faces were, how soft her lips were against his, how touchable her body was...Lee shook his head blushing hard as he pulled his hand away. "I...I'm sorry I wasn't there to protect you..." Lee's eyes widened as he heard Suki's soft voice mumble, "Lee-san...I'm sorry..." A small tear escaped her eye and Lee wiped it away. "I forgive you..." Suki smiled softly and continued to breathe deeply. "Lee, is Suki still..." Ken and Hitoshi peaked their heads around the door as they saw her lifeless body. "We brought her some flowers..." Ken placed the bouquet of pink roses in a glass vase filled with water.

"How's she doing?" Lee looked down at a bunch of medical papers. A long moment of silence came after that. Ken shook as he picked up the papers. Reading them, Ken's eyes started to water as he read the statement:

Takahashi Suki

injuries: multiple stab wounds stomach pierced rib cage cracked.

Chance of survival w/out surgery: 10%

Chance of survival w/ surgery: 70% chance of death during procedure, 60% chance of survival if succeeded.

Days left to life: approx. 3 if surgery is not performed.

Ken placed the papers back on the table. Lee continued to stroke her cheek. Ken slowly walked out of the room, Hitoshi followed. All that was left was the silence, the two friends, the documents, and the roses that were slowly wilting away one by one...

-----FILLER CONT. ROFL-----

Mayu and Guy walked silently through the woods. Guy kept glancing back at Mayu whenever he could, Mayu kept her kunia pointed towards Guy's side. "Mayu I-"  
"ZIP IT-" Another moment of silence. "If you would just let me-"  
"QUIET!" Another long moment of silence. Not even the birds were chirping. "Why do you ha-"  
"I SAID SHUSH!" Mayu slapped Guy's arm causing him to jump. Guy kept glancing back at her and forward at the road. "God she's so hot." Guy thought to himself. "Maybe if I can seduce her...hehehe" A wide smirk appeared on Guy's face. He slowly leaned closer to Mayu when she said, "If you touch me I'll cut *it* off..." Guy leaned back in fright. Later that night (hehe it rhymed) Guy set up the tent and the two layed inside in their sleeping bags. The silence was finally broken by Guy when he stated, "Mayu...why do you hate me so much? What have I done to deserve your hatred." Tears filled his eyes as he made a puppy face at Mayu (AWWWWWW D: poor guy). Mayu stared at him and began to laugh. "I don't hate

you stupid...its just...you remind me of my brother..."

"So i remind you of a relative! So you dont like me?" Guy said sadly. Mayu smiled softly. "Of course not-"  
Guy looked down in dissapointment. Mayu crept up over him.

"But it doesnt mean I wont..." She said seductivly. Guy blushed hard as she kissed his softly. "So does this mean you-"

"No guy now shut up and kiss me..." The two kissed eachother softly as the moon glistened and the stars sparkled. TO BE CONTINUED (filler too lol)

## 22 - The Operation (and lots of Awkward moments ;3 rofl)

Lee walked down the busy halls of the leaf villedge hospitle. It was about noon time and the halls were crowded with nurses, staff members, and visitors from all around. "Excuse me miss? I'm looking for Lady Tsu- I mean the hogake, do you know where i can find her?" Lee stared downwards, not even paying attention to the staff member he was asking. "She's in the operation room Lee-San."

"Uh-" Lee looked up to see a smiling Chou. "What are you doing here?" Chou giggled softly. "I volenteered to work here until my Senpai got better!" Lee was confused. "Y-your Senpai?" Chou sighed heavily while rolling her eyes. "You know, the blue haired girl!" Lee tilted his head slightly. "The girl who yelled at you forr making Suki-chan cry! -OOPS!" Suddenly, a burst of sorrow filled Lee as he stood there quietly. "N-NOT THAT IT WAS YOUR FAULT ANYWAY!" Chou said with many sweat marks appearing. "You said Lady Tsunade was in the operating room, right?" Chou nodded, still embaressed by her comment. "Where's Suki-chan?" Panic rushed through the air as Lee grabbed hold of Chou's wrists. "IS SHE? I MUST SEE IF SHE IS ALL RIGHT!"

"L-Lee-san calm down!"

"I MUST SHE HER!" Lee ran off only to come back and bow quickly, "Thank you Chou-Chan!" and running off again. Chou blinked twice as she stared cluessly at what happened. "What a strange guy....I wonder what Suki-Chan even see's in him..." Chou thought to herself, clutching onto a couple of papers. Lee ran around, bumping into people and apoligizing. Finally he stumble apun her room. Quickly slamming open the door he screamed out loudly. "SUKI-CHAN! ARE YOU ALRI-" Lee's face quickly turned from pale to obnoxious red as he stared at Suki who was unclipping her bra! "LEE-SAN WHAT THE HELL?!" She said grabbing hold of her bra.

-Awkward moment #1-

"SUKI-CHAN YOUR OK!" Tears of joy trickled from his (adorable :3 wittle) eyes. "GET OUT!" She shouted angrily. Lee covored his eyes as he walked right into the wall and fell backwards. Suki ran to his side. "LEE-SAN ARE YOU OK?!" Lee chuckled softly, looking for something to support him and help him up. "I'm fine." Lee felt something soft and immidietly his eyes widened. Suki suddenly screamed. "YOU SICK PERVERT!"

-Awkward moment #2-

"SUKI-CHAN I SWEAR TO GOD I DID NOT MEANT TO-" Lee stood up quickly, and bumped his head against a table near Suki's bed. Lee fell forward in pain causing Suki to fall over with him. As Lee opened his eyes he saw Suki's bare neck as she shivered and blushed hard. Lee's heart beat fast as he layed upon his best friend who was only wearing underwear. He couldn't move, he was immobilized by fear and embarressment. Suki shook as Lee gripped her wrists tightly and he kissed her neck. Suki yelped in pain and moaned with pleasure as Lee continued his dirty buisness (Lee you dirty boy ;3 lolz) until Tsunade came and said calmly, "Suki, time for your operatio-" .....

-Awkward moment #3 AND 4-

"L-Lord Hokage!" Suki said as she saw the shock on her face from the corner of her eye. Lee pulled

away leaving a red mark on Suki's pale skin. "Uh- I..." Lee said slowly getting off Suki. There was nothing but silence. Not even a single word was spoken. All that happened for about a couple minutes, was pure silence...

## 23 - Lee's patience

Lee stomped his foot eagerly as he stood near the operation room where Suki had been for the last hour. After a couple minutes Neji (eww) made Lee leave. "BUT I MUST STAY WITH SUKI-CHAN INCASE SHE NEEDS MEEEE!!!" Lee shouted as Neji dragged him through the halls. "We need to go train like our sensei told us to do while he was away you GOT IT?" Neji glared at Lee making him shut up within his cold stare.

---The Next Day---

Tsunade stepped out of the operation room to see Lee skid across the hallway and land on his face. "Lee are you alright?" "DO NOT WORRY ABOUT ME!" He cried out. "HOWS SUKI-CHAN IS SHE- I MUST KNOW!!!" No answer. Tsunade was speechless. "Listen Lee..." She said calmly placing her hand on his head. "I-is she?" There was a minute of silence. No one spoke. "You know that mark you gave her?" Lee blushed hard. "Wha-what about it?" "That was the cause of her death...i'm sorry Lee..." Lee cried. "IT CAN'T BE TRUE! I-I KILLED SUKI-CHAN?! YOUR BLUFFING! LYING NO I WON'T BELIEVE IT!" Suddenly Tsunade laughed. "Of course im bluffing! You think your simple hickey killed her AHAHAHA oh man that was a riot! But seriously, she is fine. She'll be out in no time." Lee smiled and wiped away his tears. "Can I...I see her?" Tsunade nodded and with that Lee rushed into the room. Suki was there reading a book. She looked over and waved at Lee. "She's a tough girl. After the operation she insisted that she didn't want any pain killers or any other type of medication. She even wanted to walk outside to get some fresh air. Thats some girl your dating, Lee..." "WH-WH-WHAT?! HOLD IT WERE NOT DATING!!!" Suki looked away sadly. Hurt by what he said. 'He gives me a hickey and he denies that we are together...' Suki looked back at Lee. 'What an @\$\$....' Finally Tsunade left and Lee smiled at Suki. "IM SO GLAD YOUR OK SU-ki? Wh-whats the matter?" Suki pouted as she looked over her shoulder at Lee angrily. "Why would you care? Your not my boyfriend so back off and leave me alone..." Lee sat there stunned. "Wh-what do you mean?" Suki looked away. "Nothing...just forget about it..."

## 24 - The argument WUH OH!

In only about a couple weeks Suki was sent out of the hospitle. Lee made sure to visit her everyday before she was sent out. He bought her flowers but she denied every last rose. Lee started to visit less and less often until finally he never showed up. About two days from there Suki was released from the hospitle. Walking out the door she expected a goofy Lee pop out from behind her, but he never came. In a matter of weeks Suki and Lee never hung out, they never even spoke a word to one another. Everyone was suprised. Normally whenever Lee was walking along konoha Suki was trailing right next to him. Now, they dont even notice eachothers existince. Finally the two snapped. On one cloudy evening Lee saw Suki from the corner of his eye. Tenten and Neji were along side him. Both had no idea what was going on. Suki glanced at Lee and both turned away. Tenten pouted. "What is up with you two. You were both best buds." Lee stared at his feet. "we WERE best buds." He said with a little sadness in his voice. "What happened?" Neji asked with no emotion.

"I..." Lee paused. "I don't know...I just..." Lee sighed heavily. He stared up at Suki who was walking away. "Then why don't you just talk to her? You got nothing to lose!" Tenten said suddenly making Lee's eyes spark up into flames. "YOU ARE RIGHT TENTEN I WILL GO AND TALK TO SUKI-CHAN!" And with that, lee ran off with youthful rays in his eyes rofl. "SUKI-CHAN PLEASE WAIT UP!" Suki turned around. "What do you want Lee?" Suki said in a stern tone. Lee began panting as he knelt over laughing happily. "What do you want!" Lee stood back up and hugged Suki tightly. "Lee!" Suki shoved him away. "Leave me alone!"

"Suki-Chan I am sorry for whatever i did!"

"Do you even know what you did?!" Suki yelled causing Lee's smile to dissapear. "YOUR SO STUPID! YOU THINK EVERYTHING IN LIFE IS JUST FULL OF FUN DONT YOU! WELL OPEN YOUR GOD DAMN EYES AND THINK FOR ONCE!" Lee stood there clueless and Suki chuckled. "Your so damn clueless! I can't believe i even fell for you in the first place...just leave me alone." Suki walked away with a couple of bags in her hand. Lee watched hopelessly as Suki left the village gates.

----filler time :p lolz----

Guy woke up stretching and saw Mayu outside packing up. Guy walked over and hugged her from behind. "GUY what are you doing?!"

"hugging you! I thought you and i were-" Mayu laughed. "Wow Guy you couldn't tell i was drunk?" Guy's mouth dropped wide open. "Wh-what?!"

"I could stand being stuck with you on a mission so i brought my Sake along with me..."

"Oh....I see..." Mayu chuckled. "You didn't really think i liked you! Now come on and help me pack up."

"ok Mayu-Chan..."

-----Filler gone oh well lolz-----

Shizu walked along the grassy feild (now that suki's gone i can focus on other pplz lolz) suddenly she looked up to see a lazy Shikamaru sleeping in HER tree. "What is he doing?" Shizu said softly. She quietly climbed up the tree and looked closely at Shikamaru. "He's so...amazing...maybe just a soft peck then ill leave! he'll never know..." Shizu made up her mind. She puckered up her lips and closely leaned

in. "Shizu what are you doing?" Shizu yelled falling off the tree. Shikamaru quickly grabbed her ankle holding her upside down, it was better than falling. "Sorry for startleing you, just what were you doing?" Shizu stuttered. "Y-you had some grass on your face so i was just uh blowing it off!" Shikamaru sighed. "Whatever...thanks I guess..." Shizu smiled in her head. "HE FELL FOR IT!" Shikamaru smirked. "Next time you want to kiss me, ask...you troublesome woman." Shizu blushed hard. "HE...KNEW ALL ALONG!"

"Hey Rin..."

"Sh-shino?!" Hey! I wasn't expecting you to be here!"

"Who said that i wasn't allowed to eat ramen..."

"...Are you calling me some kind of idiot?"

Shino sat quietly.

"Go away before i hurt you shino >\_>; ...now"

Shino stood up and grabbed Rin's hands.

"You wouldn't hurt me...would you?" Bugs slowly crawled out of his sleeve.

"GACK! B-B-B-BUUUUUG!"

"uh, sorry...Rin? Riiiiiiin? huh she must've been tired..." Shino picked Rin up and walked towards her apartment...lolz awkward wait till she wakes up XD

-----to b continued!!!-----

'I stood up turning around and offered my hand to her. She looked away sadly and got off. She started to walk towards the door so i thought, why not offer opening the door for her! Unfortunately it was a bad idea. Because when i opened the door i was pushed aside...'

"Good idea Dork Lee!"

'The boy slammed the door on the girl and locked it. I was stunned! My plan to become freinds with her was ruined. The girl stared up as she tapped on the door lightly. After a while she gave up and sat back down on the swing.'

"If you tell our sensie ANYTHING! We'll beat you to a pulp! Got it?!"

'There was nothing I could do. I nodded and sat back down. The rest of class i stared out the window at her. She swung slowly clinging onto her doll. I could see the tears falling from her rosy cheeks. Finally our sensie treated us to some cookies...everyone got one except her. Instead of eating i saved it for when class ended.'

"Hi again! I'm sorry about the door insident..."

'She looked away. I heard her stomache grumble and she blushed a bit. Now was my chance! I handed her the cookie and she stared up with a suprired look on her face. She quickly swipped away the cookie and chewed on it slowly. I watched her finish every last bite. Suddenly she looked at me with her blue eyes and smiled!

"Th-Thank you"

'I couldn't take it! She was so cute! My face exploded into a red furry and i fell backwards. After a while i awoke and saw myself walking! No, i couldn't be walking. I lifted my head over my shoulder and saw her carrying me with one arm! I was shoked! Not even i was that strong.'

"Wh-where are you taking me?"

"To my home."

"SAY WHAT?!"

"You hurt your head and you need rest..."

'She blushed a little as she spoke the word 'rest'. Not only that but i felt my head burn up as well.'

"Thanks!"

'instead of taking the corner towards the apartments, she headed over to the woods.'

"HOLD IT! Uhhh i just met you!!!"

"this is were my house is..."

"W-wont your parent get mad?!"

'she stopped in her tracks. Suddenly tears rolled down her face and she dropped me face first.'

"uh i-i-im! IM sorry!!!"

'As i stood back up wiping all the dirt fro my face, something in my head made me react in the weirdest way. I grabbed her arm and forced her to turn around and bury her face into my chest and i held her in my arms tightly. Suddenly she broke into tears. She cried all over me and gripped onto my back with her tiny hands. I rubbed her back soothingly as if she was my own kid. I never knew how soft her hair was, because i suddenly felt myself pet the back of her head. Stroking each strand of hair. My face blew up red as ever but i calmed myself focusing my attention on her. I didn't know what i said but i after a while i felt her lightly push away. She stared at me with her adorable eyes and i couldn't take my focus away from them. But my face turned even a brighter shade of red. Thats because she slowly closed her eyes and leaned towards me with pursed lips. Sure she was cute but i was too shy back then. I backed away and she stopped and looked away sadly.'

"i-im sorry but we have just met..."

"I understand...."

'She gripped onto her doll and walked away.'

"You coming?"

"hai!"

'When we finally got to her place and i was stunned at what i saw....'

"LEE HEY THERE YOU ARE!"

"Uh, Naruto?!" Lee snapped out of his focus on the flowers to look up and see Naruto grinning wide.

"Your sensie is back!"

"G-Gai-sensie?"

Naruto nodded and Lee ran off with the flowers still in his hand.
