## The Demon

Like a shadow he lerks around  
Night is his favourite time  
No one know's his true life  
Or what is going through his mind  
He moves likes a blur  
One place then another  
Bandages on his arm  
Dragon underneth  
No one know's the power he can unleash  
A friend to some  
A mystery to others  
The rest are his enemy's  
Looking for a fight  
Don't they understand  
The pain  
The pain he bares  
The pain of rejected as a baby  
The pain of his mother's gem he holds close  
The pain of seeing his sister face  
Yet she does not know him  
Thats the pain this demon bares

So This shadow will forever lerk  
Lerk with the people that accepect him that is  
For now  
Let's let this demon live in peace
