Alpha Beta Natomy

Aristocratically acclaimed artists attack the auriole  
Beautifully bestowed blessing besiege the beggars  
Cornucopias of cutting cardboarders correctly caress  
Derringers deprive deputies of duty  
Eratically entriuging entrails erase existance  
Frantically finding fragments of faces  
Gargling gatorade like gastrocybe  
Hiding hidden horseshoes in house-arrested humbles  
Intriquete interiors of inside injokes intimidate innocents  
Jaybirds jingle in the jail of jokes  
Killingly kicking the kings like kites  
Limpping to lakes like lost lone laundries  
Mopping the musing of mice and men  
Notorious for nights who name the nameless  
Opaque ostripaque oriented oralless  
Posterior post-war prophets profit from promises  
Queues of quinteples question the queer  
Roasting the rind as rings on roughians  
Spiking the sparkles of silent streets  
Touted by tieing the tales tattered and told  
Upsetting utopias with unsettling unity  
Varrying varcities of vicious viceroys  
Warrents wager for wanted witts  
X-rays xenograft xylophones  
Young yellow yankees yank at youth  
Zealous zepplins zap Zanuck
