## Meaning of Nothing

Something is like nothing  
For all to see and hear  
So when you light your fire  
Be sure to grab some beer

For those of you who catch my slang  
You know this makes no sense  
It has indeed hidden meaning  
You are just too dense

I like the way she flows and swings  
Her hair, it floats it's own  
And when she smiles so beautifully  
You notice she hasn't grown

Of all the things I've ever made  
This one actually rhymes  
So sing and dance in merriment  
Untill the noon clock chimes

The meaning here is shrouded  
Under veils of my own mind  
Look deep and think hard  
If needed, please rewind
