# 1 - Break the Iceberg

## Break the Iceberg

What to say,  
What to say?  
I sit here to  
contemplate my mess.  
I just gotta get this  
Off my chest.

I fell for you  
long time ago,  
But I thought it best  
that you shouldn't know.  
My wish be  
In time passing  
we wait and see what's in store.

I never thought much  
on the bugs that spurred nervousity.  
You caused them  
but I chose to ignore,  
and now this is hard.

I guess my distractions  
were enough  
to keep you from worrying.  
I don't want to scare you,  
Initiate your instinctive  
avoidance of those who share my thought.

It's grown as this wore on.  
I've decided to say  
no more running away.
