Destination

This ring hello shouts
It knows no bounds
These surprise attacks are written off
But in the back of the bus lingers the one still passenger
Nagging the driver to turn right

It's coming, you can't stop it
So come to your senses and acknowledge
You can't bend the ultimate will
So stop fighting for your departure up river

In these times your united forces will not help
A figure will come to power but reap no reward
Bowls will shatter, accompanying trumpets of wrath
So set straight your journey
Come to know where you'll end
Kneel, clasp, and accept the Truth
