**Chapter 1 - Endeavor**

# 1 - Endeavor

Endeavor

Let's start this endeavor together  
The mind behind the story, and the love to make it true  
I thought this a good decision  
But retrospective visions cloud my better judgement

I can't seem to fathom why I feel this  
Let's talk about it now  
I can't bring myself to say it,  
But I'm displeased with the outcome

Recruit, do as you're told and nothing more  
Follow your orders as they are given  
Filling your hands with the work not yours  
In discomfort brings the mask of content

This endeavor was meant to be of great things  
We were to discover a story yet to be told  
But I have no power over limitations  
I feel you've stolen it from me

But all in all...did I ever have it to begin with?
