1 - Lonely Day

Lonely Day

Sitting at the eternal drain machine
What a day, a lazy day
Clicking keys to keep it away,
What a day, oh what a day

Call me up via chat session
Type me a message via phone line
Keep me busy to build up tension
Or maybe take it away

What to say, oh what so say
When you finally drop me a line,
Check the space,
the message blinks,
A solicitor, oh joy

What a day,
What a day,
What a lonely day (say hi)
