**Chapter 1 - Yami Yugi**

# 1 - Yami Yugi

## Behind the Scenes

Ryuko: Hey hey! ^^ I wrote this when I first started to like Yugioh..which was.... AGESSSSS ago... Maybe a year and a half? Anyway this fic is a collection of bloopers that happened to the YGO cast as they were filming for the show Yu-gi-oh! Sure they make everything look simple in the show. When they're about to lose and it's their last draw, they trust, and draw the card they need. Then they throw it onto the duel disk, summon the monster, and wa la~ they win! But in reality, it takes a lot of trial and error to look as cool as they do on the show.. Here are some bloopers that we don't get to see - they occur behind the scenes^^ \*places in a video tape\* This is Yami's secret footage. Grab some pop-corn and enjoy!^^

Disclaimer 1: I don't own Yugioh, nor do I own it's characters.

Disclaimer 2: If I make characters look stupid or slightly bashed it is for the sake of the fanfiction and is not intended to offend anybody. So no flames about that please ^^ You have been warned!!!!
