1 - chap 1- run away

A young 17-year-old black and red bat ran threw the allies of staion square. He left a note on his mother's door and he could still remember every word he wrote on it:

DEAR FAMILY,

I'VE DECIDED TO RUN AWAY.

WHY? BECAUSE I THINK I CAN HANDLE THIS ON MY OWN. I'M NOT A LITTLE KID ANYMORE AND I KNOW THIS FAMILY HAS A SECRET AND I WON'T REST INTIL I FIND OUT THOUGH I'LL PROBLELY NEVER FIND THE ANSWER ANYWAY.

SORRY TO DO THIS TO YOU, BUT I KNOW I MUST DO THIS.

-SHADOW BAT

He finally made an exit out from the city. He didn't really know where he was going but he knew that there's something behind his parents' past and he would travel the whole world just to find out.... and the first place was floating island.

note from the writer: I know the first chapter is REALLY sort n' all but I'm knda busy.. websites to update,Guitar practice, book report to write..EVIL ROOM TO CLEAN(hint, hint)and this is also my 3rd fan fic I've ever posted on a website (most of my fan fics I don't really put on sites) but the next chapter will be up soon. ^_^

2 - chapter 2-meetings of the teams

Shadow Bat walked into the forest of floating island "hm? I've never been here before," Shadow Bat thought to himself. He suddenly paused. Metal footsteps were heard. "What the!?" he gasped under his breathe. A robot following him suddenly choked him from behind but someone chopped it in half. "Are you okay?" a voice asked. his eyes opened, in front of him was a female red ecidnina with pink hair and a braid wearing a blue jacket and gloves reached out her hands "I'm fine!" he yelled at her.

"Well, you don't have to yell at me!" she yelled back

"I could've saved myself!" he yelled again

"I'm Lara-su," she turned away

"I'm Shadow Bat, but you can call me SB," he got up and brushed his lap

suddenly, another robot came behind Lara-su and shot her "CHAOS SPHERE!" Shadow Bat yelled, a flash of light glowed and suddenly destroyed the robot. "what the heck was that!?" Lara-su gasped

"chaos sphere" Shadow Bat replied

"you know," Lara-su began, "you're not half bad, batboy,"

Shadow Bat turned his head and blushed crazy.

"hey, wait a minute, the robots appeared when you came! what do you have to do with this, anyway!? the robots destroyed my home and captured my parents!"

"and I care....why?" he moaned

"hmf, you're NOT helping!"

"whatever, ecidnina,"

but for a split second, they just stared at each other...

"ummm... so where did you come from?" Lara-su blushed

"from station square," he blushed

"really? my best friend lives there...."

"LAAAAaaaARRRrrrAAAA-SUUUUuuUU!!!" a voice from nowhere yelled.

"Mommy and daddy are GOOOOoooONE!" another voice shouted and cried.

a blue and pink male hedgehog wearing gray, baggy pants and an orange and brown fox with two tails came running toward them.

Hurricane and Shadow Bat suddenly glared at each other-

"WHAT'S HE DOING HERE!?!?!?!" they both yelled

"I see you two already know each other, Hurricane," Lara-su assumed

"know each other!? he tried to kill me! even our fathers tried to kill each other!" Hurricane told her

"really?" Lara-su stared at Shadow Bat

"com'on, Lara-su! we gotta find out who's been the one robotizing and destroying those cities!"

Hurricane pulled Lara-su away before Shadow Bat could even answer.

Shadow Bat stood "Lara-su..,"

"...what's wrong with me?"

"SHADOW BAT!" a white and black female hedgehog wearing flashy clothes and a female black hedgebat also wearing flashy clothes ran up to him.

"Mom and Dad have been captured!" the white hedgehog exclaimed.

"what?! Kim, who captured them!?"

"robots.." the black hybrid said

"robots!? Jewel, what do you mean!?"

"while you were gone, they were captured by robots! when we were trying to rescue them, smoke blocked us and we couldn't see where the robot left!"

"this is all my fault..." Shadow Bat whispered to himself

"com'on what are we waitin' for!?" let's find out where the robot went!"

Kim yelled

"and why it wants our parents....," Jewel said
